Bucks win two, girls lose 1st

The Hoke High School Bucks had to come from behind in the fourth quarter to beat Scotland High 54-51 last Tuesday night and use an overtime to top Reid Ross on Friday.

Good defense and a key technical foul helped the home team to the victory.

"We played them man to man for three and a half quarters," Hoke Coach Greg Killingsworth said, adding that they went into the zone late in the game forcing Scotland to take outside shots.

Marvin Maynor popped 16 points in for the Bucks in that game. Maynor had help from Bruce Moore with 10 points and Tony McRae and Marco Pickett both of whom had 8.

Last Friday night, the boys won again in overtime beating Reid Ross 69-66.

"We had to play one of the best games we played all year," Killingsworth said.

"We had one of our better outside shooting nights," said the coach.

Hoke went into the game facing a six foot, nine inch Charles Sowell with intentions of getting rid of the big man, Killingsworth said.

With about three minutes left in the game, the Bucks did just that. Sowell fouled out.

"After we got the big man out, we were able to go inside," Killingsworth said.

The Hoke boys now have a 7-3 overall record and stand 2-1 in the conference.

The Lady Bucks dropped a chance to be giant killers last Friday night as they lost their first game of the season to Reid Ross.

The Ross girls have won their last 28 games.

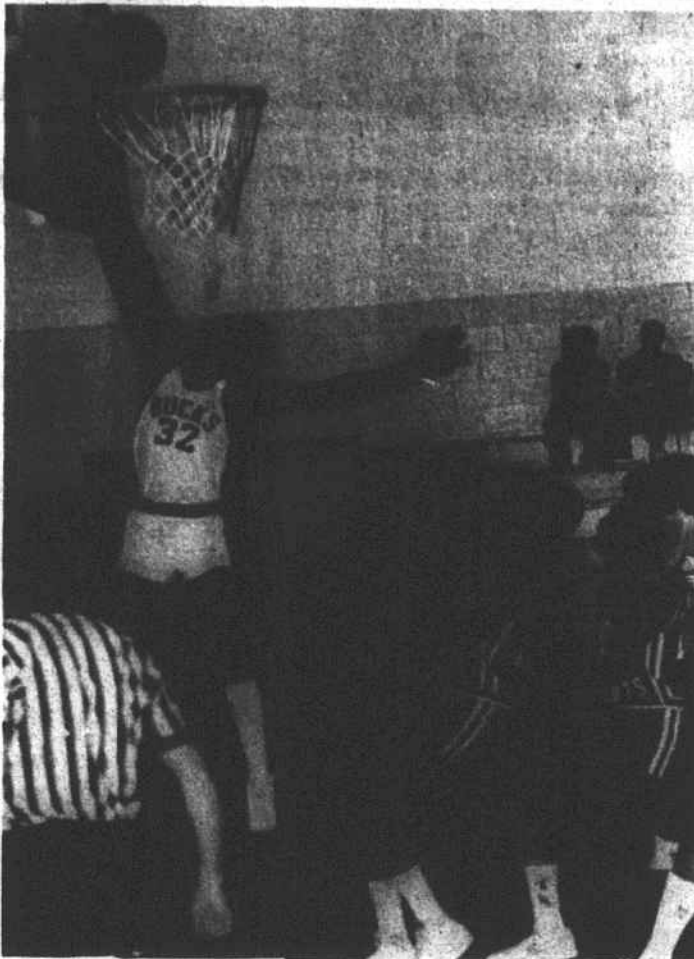

Reid Ross won the game by a slim margin, 39-36.

According to Audrey Long, Coach of the Lady Bucks, her girls played Reid Ross' game.

The girls now stand with an overall record of 9-1 with a conference record of 2-1.

Del Pridgen led the Lady Bucks with 15 points in the game, but fouled out with 5:33 remaining.

Sharon McNeil had 10 of the Bucks points.

Going for two
Bucks Johnny Allbrooks tries for two points during last week's upset win over Scotland County. The win over the Scots was the first of two for the Bucks, who also topped Reid Ross Friday night to improve their conference record to 2-1 and 7-3 overall. Allbrooks' bucket apparently did not go in.
