## Burlington honors employees

Over 300 employees at the Raeford Plant at Burlington Industries were recently recognized for having Perfect Attendance during 1984.

This represents over 25% of the local facility's current employment.

The current perfect attendance record at the Raeford Plant is held by Dorothy Bennett who is a Hand Draw-In Operator on 2nd shift in the Preparation Department.

Mrs. Bennett has 22 consecutive years perfect attendance.

This record is even more impressive when one considers that Mrs. Bennett lives in Ellerbe, North Carolina and drives about 100 miles round trip each day to work.

These other employees of the Raeford Plant were also honored:

The amounts paid to the doctors and institutions in other counties in the area were Cumberland \$25-million, Moore - \$10 million, Scotland - \$4.8 million and Robeson - \$12 million.

During the year, the statewide health service Plan processed 4.6 million claims for the participants in its regular Blue Cross and Blue Shield programs, amounting to \$575 million in total benefits.
