Buck runners take 2nd

The Hoke High Bucks boys track team placed second in a four-way meet last Thursday. They finished with 71 points.

Douglas Byrd won the meet with 3 points.

Westover and Terry Sanford finished third and fourth.

Tarrell Carpenter led the Bucks attack with a first place finish in the 100 meter dash, 200-meter dash, long jump and ran on the winning 400-meter relay teams.

Don Woods ran both the 1600 and 3200 meter events, and won

both of these races.

The 400-meter relay team came from behind to stay unbeaten this year.

The team is Greg Thompson, Joseph Allbrooks, John Babe, and Tarrell Carpenter - their time was 44.1.

The 800-meter relay beat Westover and Byrd.

Their time was 1:34.

The team is Joseph Allbrooks, Darcey Cunningham, Greg Thompson and John Baker.

Tennis tourney on tap

With spring arriving it's time to break out those tennis racquets and balls and take to the courts.

The Hoke Tennis Association is kicking off its sixth year this spring, and the Board of Directors is excited about promoting tennis this season.

What better way to get off to a fast start than to have a tennis

tournament. On April 19, 20 and 21, the HTA will have a tournament for HTA members and those interested in joining the Hoke Tennis Association. An entry form can be found below.

Dues for the 1985 season have been reduced to \$1 for adults and \$.50 for students and will be included in your \$5 entry fee for the HTA tournament.

Recreation Bits

Karate

Are you 7 years or older and interested in learning the martial arts? Tae Kwon Do Karate classes are being held on Tuesdays and Fridays from 5:30-7 p.m. in the building above Howell's Drug Store on Main Street. Instruction costs \$20 per month PLUS a yearly insurance fee of \$12 (ages 18 & up) or \$6 (ages 17 & under). The course is being taught by Anthony Freeman and Mackey McDonald. Call the Recreation Department at 5-4035 or Mackey at 5-2204 for more information.

Introducing Reward.™
It leaves sicklepod defenseless.
Selective Herbicide

Reward reduces the waxy "armor" on sicklepod leaves so later postemergence sprays can attack more effectively.

Reward knocks back early sicklepod and forces later-emerging sicklepod to grow up in the shade of your soybeans' canopy.

You can hardly find a tougher-to-control weed in your soybeans than sicklepod (or coffeeweed). But sicklepod has two defense mechanisms that new Reward helps you crack.

First, sicklepod has a tough waxy coating that is almost impossible to penetrate by most postemergence herbicides. Reward, applied preplant, reduces these foliar waxes. So your postemergence sprays can stick and adsorb better and knock out sicklepod more effectively.

Second, sicklepod grows fast in full sun but grows poorly in the shade. Reward knocks back first flush sicklepod to give your beans a head start. Later emerging sicklepod never has a chance, because by that time your soybeans have started to canopy.

If sicklepod is one of your biggest problems in soybeans, knock it defenseless with new Reward. See your dealer for all the details now. Stauffer Chemical Company, Agricultural Chemical Division, Westport, CT 06881.

The first step in sicklepod control.
