

Reopening mall

These J.W. Turlington School Chorus members, under the direction of Phoebe Tucker, will perform for Crabtree Valley Mall's Grand Reopening Ceremonies on Friday, April 26. The chorus will be performing several selections from their spring concert repertoire. Money was raised for this trip to Raleigh, when the students held a rock-a-thon in the Turlington gym earlier this spring.

Man killed in accident

A 27-year-old Cameron man was killed instantly when the motorcycle he was riding ran head-on into a pickup truck Friday. Michael Lee Smith of Rt. 1 Cameron died around 1:10 p.m. at the scene Friday following a head-on collision with a truck on State Road 1104 near the Scotland County line in the Lilly area, state Highway Patrol Sgt. D. L. Minshew said.

swerved over the center line and hit Smith near the shoulder of the road, Minshew said. As of press time, Maynor had not been charged, but the incident was still under investigation, Minshew said. Both vehicles were a total loss. Maynor received slight injuries, the investigating officer said. The motorcycle was owned by Albert Frederick Lewis of Wagram, Minshew said. Smith is the first recorded traffic death in Hoke County this year.

... Fund established

(Continued from page 1A) when Hillcrest Fire Department arrived. Hillcrest was joined by the North Raeford and Rockfish fire departments, said Barrington. According to a report by Medical Examiner Dr. Riley Jordan, the causes of Barefoot's death were heat and smoke inhalation, said the sheriff. The fire, which started in a back bedroom, was apparently caused

by faulty wiring, Barrington said. The sheriff said that Barefoot's wife and children were awakened during the fire and escaped. A source close to the family said family members thought Barefoot was behind them during the escape. Barefoot's body was found at the foot of his bed, possibly indicating that the man tried to get out of the burning house, said Barrington.

Bus wreck injuries slight

Two children received only minor injuries after a Hoke County school bus collided with a car last Wednesday morning. Ambulance, rescue, fire and school personnel responded to the call for aid at the accident which occurred around 7:30 a.m. on U.S. Highway 401 in the Bowmore area south of Raeford. However, emergency assistance was not needed, and only two students complained of slight in-

juries, investigating state Highway Patrol officer B.J. Burr said. The driver of the bus was charged following the collision with the 1981 Toyota, Burr said. Bus driver Kevin Dwayne Locklear, of Rt. 1, Red Springs, was charged with a safe movement violation, Burr said. About \$2,000 in damage was done to the Toyota driven by Betty Jean West of Fayetteville, who received minor injuries, Burr said.
