On Saturday, April 20, Carowinds was taken by storm by the Upchurch Junior High School Chorus (above) and Eighth Grade band (below). Both groups captured superior ratings in their areas making Upchurch the only school in the history of the Carowinds festival to obtain superior ratings at both the band and choral events. The 84-voice chorus performed "America the Beautiful" and "Ride the Chariot" as their contest selections and received superior ratings from each of the three judges. The judges also gave the group high scores on each of the caption ratings to earn them the first superior rating given at the Choral Festival. Perfor-

ming in Group II of level difficulty, the 105 member Upchurch Eighth Grade Band played "Black Knight March" by John Menz, "King Arthur's Processional" by Henry Purcell, and "Theme from Symphony No. 1" by Johannes Brahms. The band also captured superior ratings from all three judges and received superior ratings in all captions. They were also the first band to earn a superior rating at the festival. The Upchurch Chorus is under the direction of Ellen Heidenreich and the Upchurch Bands are under the direction of Gil Clark.
