To The Friends & Family, Throughout our many hours of sorrow, there were many friends, relatives and distant family members that stood by our side. We appreciate you and we thank you. The cards and kind words were comforting; the food relieved our hunger; the visits made us forget for a little while and smile; but most of all, the prayers were uplifting and reminded us that God was near, God cared, and that God would never leave us alone. Though we can't see you all face to face and tell you these words in person, accept this simple expression of the sentiments of all our hearts to say - Thank You, Thank You, Thank You.

The King Family - (Mary M. Bratcher, James Pratt, Geraldine Kelly, Glen King, Josephine King)
