

Flora Macdonald honors students

Last week Flora Macdonald Academy completed its fifth six-week grading period and released names of the following students in grades 4 through 12 whose cumulative averages placed them on one of the academy's honor rolls.

The Headmaster's Honor Roll requires a minimum average of 95 and students on F.M.A. Honor Roll maintained averages of 90 to 94 for the grading period.

The Special Honor Roll is composed of students who raised their average at least five points over the preceding grading period.

These area students were honored:

Donna Kennedy is chosen Hoke Math teacher of year

Mrs. Donna Kennedy has been chosen as the Hoke County Math Teacher of the year by Dr. Robert Nelson, Superintendent.

Mrs. Kennedy attended Hoke County Schools, Pembroke State University and is presently working toward her Masters of Math Education at Pembroke. She is a member of the National Council of Teachers of Mathematics and the North Carolina Council of the Teachers of Mathematics.

She has been a Math teacher at Upchurch Junior High School for ten years and has been Math Department Chairman for seven years.

While Mrs. Kennedy has been chairman of the Math Department the mastery learning concept has been implemented which has resulted in fewer failures and higher California Achievement Test scores.

In-service training for math teachers has been planned by, and personnel to conduct these workshops have been attained by Mrs. Kennedy.

She has spent the past two summers organizing the scope, sequence and testing of the math program for Upchurch.

She makes every effort to see that other math teachers have the materials they need and that they

fully understand the math program.

Two years ago Mrs. Kennedy worked to write a remedial program and helped to obtain computers for the math labs.

For two years Mrs. Kennedy has coached the Mathcounts team from Upchurch.

This is a team of four students and one alternate chosen from students who study math through 12th grade level on nonclass time and compete for the spots on the team.

These students compete against other teams in the district.

The first year the team made a good showing and this year the team placed third in the district out of 39 teams and went to the state finals where again they did well.

Mrs. Kennedy works long and hard to promote math excellence at Upchurch through the program, math team, math week, math fair, inservice training and reminding all that "math shapes our world."

Mrs. Kennedy is married to James (Jimmy) R. Kennedy Jr. and has two children, Kristy and Brandon.

The seven district winners in math and in science will each receive a \$500 award and the State math and science winners will receive a \$1,500 award.

Raphael Allen

Allen Finishes basic training

Navy Airman Apprentice Raphael Allen, son of Mr. and Mrs. Ralph Allen, recently finished basic training in Orlando, Florida.

Allen is now attending the Naval Air Technical Training Center in Memphis, Tennessee for approximately 12 weeks to become an Aviation Machinist Mate.

During the 12 week course, Allen will be provided the basic knowledge of how to operate Military Aircraft and procedures on the handling, storage, assembly and how to maintain the aircraft capabilities.

He will also be instructed on how to perform the duties of a flight engineer.

Allen graduated from Hoke High in 1984.

Elliott honored

Joyce Anne Elliott, an elementary education major and the daughter of Mr. and Mrs. Jack E. Elliott of McCain, was among seven Methodist College students, faculty, and staff members inducted in to Omicron Delta Kappa, a national leadership society.

This national society recognizes students, faculty, alumni, and outstanding citizens for exemplary character, scholarship and intelligence, service and leadership within the academic and larger community, and fellowship and consecration to democratic ideals.

Miss Elliott is presently serving as President of Alpha Xi Delta, Financial Vice-President of the Methodist College Jaycees, Secretary of the Leadership Association and Historian of the North Carolina Student Legislature.

She also received the Northern Virginia Collegiate Merit Award for outstanding service to her campus and her sorority, Alpha Xi Delta. She has also received the Methodist College Transfer Scholarship and the Greatest Gift Scholarship.
