Allen finishes jet engine study

Navy Airman Recruit Raphael Allen, son of Ralph H. and Mary L. Allen of Raeford, has completed the Aviation Machinist's Mate Basic Jet Engine Course.

During the five-week course at the Naval Air Technical Training Center Millington, Tennessee, Allen received introductory instructions on the characteristics and operating principles of jet engines. His studies included engine lubrication, ignition and fuel systems. He also studied the procedures for refueling and defueling aircraft, for removal and installation of aircraft engines and for the operation of aircraft ground handling equipment.

A 1984 graduate of Hoke County High School, he joined the Navy in January 1985.
