

Heading home Wingate's Frank Pait rounds third during a recent game.

Wingate star named on **All-American 1st team**

Wingate College outfielder Frank Pait has been named to the NAIA All-American baseball first team.

The announcement was made at the NAIA World Series recently completed in Lewiston, Idaho.

Pait was the only player from North Carolina on the 15 man first

Pait, a senior from North Wilkesboro, was earlier named Player of the Year in the Carolinas Conference and NAIA District 26. He finished the season with a sizzling .400 batting average, leading the conference and district in home runs (17) and runs batted in (52).

The 17 homers set a new Wingate school record, while the 52 RBI tied a school mark. Pait, Wingate's most valuable player in 1985, banged out 60 hits in 150 at-bats with 42 runs and 15 doubles.

He ranked in nearly every major conference and district statistical category and was the only Wingate player to participate in all 40 of the Bulldogs' games.

Pait is the sixth player to gain All-American honors since Wingate became an NCIA member.

He was also named to the All-Carolinas Conference, All-NAIA District 26 and All-NAIA Area VII

Men's softball -- Hard & Heavy win regular season

The Men's softball league finished its final week of regular season play on Tuesday night, July 23. The first game went to the Raeford Jaycees as they defeated Beasley's Body Shop,

7-0. In the night's second game, the Red Springs Merchants nipped Hard & Heavy, 5-3. Red Springs leading hitters were C. Chavis who batted 3-3, and M. Smith, B. Klingerschmidt and R. Collins who hit 2-3 apiece. Hard & Heavy was powered by the hitting of G. Gilcrest 3-3, while teammates S. Wallace and P. Jordan batted 2-3 each. In the final game of the season, Boahn Concrete defeated Faberge, 12-10. H. Daniels led Boahn in batting, finishing 4-5 for the night. Teammates T. Hawks, M. Lewis and S. Helt batted 3-5 apiece to aid Boahn in scoring. Faberge's leading batters were D. Delton, M. Brat-cher and S. Warren, who all batted 3-4 apiece for the night.

Archery Champ

Pat Miller, 16, achieved another success in archery by winning the senior division of the state 4-H archery competition. He won the junior division two years ago and was runner-up in the senior division last year. His latest success came during State 4-H Congress at North Carolina State University. His prize was a recurve bow from Bear Archery Company. Miller praised James Culp, leader of the Rockfish 4-H Club for helping him to learn more about archery. His next goal is to go into the bow hunting division. Miller is the son of Mr. and Mrs. Larry Davis, Rt. 4, Raeford.

Monroe takes part in Navy exercises

THE NEWS-JOURNAL

Navy Petty Officer 2nd Class Eddie S. Monroe, a 1972 graduate of Hoke County High School of. Raeford, was recently cited for his: participation in operations conducted in the Black Sea while stationed aboard the guided missile, destroyer USS Kidd.

During this period, USS Kidd traveled through the international waters of the Black Sea, located between Turkey and the USSR.

It was necessary for the Kidd, while enroute to travel through the Aegean Sea and navigate the Dardanelles and Bosporus Staits, passing near Gallipoli and through Istanbul, Turkey.

The Kidd, homeported in Norfolk, Virginia, is currently deployed in the Mediterraanean Sea for six months.

He joined the Navy in July 1972.

William C. Matthews Matthews assigned to California duty

Airman 1st Class William C. Matthews, son of Knox V. and Carol B. Matthews of Rural Route , Aberdeen, has been assigned to Presidio of Monterey, California, after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special instruction in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the voice processing field.

He is a 1982 graduate of Hoke County High School.

FIVE FACTORS TO CONSIDER

- 1. Our proposed staff and facilities will have the capability to offer a wide variety of financial services including checking accounts, savings accounts, certificates of deposit, IRA accounts, home loans, home improvement loans, auto loans, credit insurance, safe deposit boxes, etc. Most important will be the QUALITY of PERSONAL SERVICE. The attraction of a large base of customers is anticipated.
- 2. Our proposed office facilities will have the most modern equipment available today for the delivery of financial services, as well as operated by an experienced staff. Our building location is extremely visible in the center of Hoke County's business activity.
- 3. The initial proposed members of the Board of Directors have broad business experience with in-depth knowledge of the Hoke County market. Their participation in this local business venture, together with their vast civic and governmental involvement, leaves no doubt as to their commitment to Hoke County.
- 4. For legal and accounting services, we have engaged the services of highly qualified professionals specializing in the savings and loan business.
- We believe our business plan to be fundamentally sound. It was prepared based on facts obtained by an 5. independent, professionally prepared, feasibility study of Hoke County. The feasibility study indicates a strong demand for home financing and deposit service in the future.
