# Sandhills confers 16 nursing degrees

Sixteen graduating nurses received their pins at the Practical Nursing Education (PNE) Pinning Ceremony at Sandhills Community College on August 16. Dr. Raymond A. Stone presided. Following the invocation by PNE Coordinator Sister Mary John Yenc, Dr. Stone recognized special guests. Next, those who were to receive special awards were recognized. The Manor Care Award for outstanding scholarship in the field of geriatric care went to Cynthia Purcell of Raeford. The first Dr. and Mrs. H. David Bruton Award for acknowledgment of kindness and concern for

patients went to Pamela Jeanne Richter of Raeford. The class recognized several class members for special personal characteristics. Most outspoken was Edward Friedrich; wittyest, LaRue Carol Foster; most tenacious, Cynthia Purcell; most professional, Pamela Jeanne Richter; most helpful, Mary Elizabeth Hiles; most scholastic, Debra Ann Wingeier. One graduate, Edward R. Friedrich, also completed a special course to become intravenous certified and was recognized for this special achievement. The graduating students then recognized the extra effort of retiring librarian Rose Anderson for her assistance to class members in their studies. Next the class presented roses to instructors Frieda Bruton, Amelia Dennis and Sister Mary John Yenc. Each instructor then spoke to the class about their futures, the need to continue their learning, improve their clinical skills, and fulfill their promise. The ceremony concluded with the 16-member class reciting the nurse's pledge in unison.
