

Hedgpeth appointed to post

Irma Hedgpeth has been appointed chairman of the Hoke County Heart Association's "A Time To Remember" Committee. This is her second year serving in this position.

"A Time To Remember" provides friends and family an opportunity to offer get-well wishes, honor occasions such as birthdays, graduations and anniversaries, or make a memorial through contributions to the local Heart Association.

"This program was established by the Heart Association because of the great volume of requests from Hoke County residents who wish to make a memorial donation or honor a special occasion," said Hedgpeth.

"More deaths still result from heart disease, stroke and related disorders than all other causes combined," she said, "although

the mortality rate has dropped in recent years. Gifts received through the 'A Time To Remember' program will be channeled into more research, more education and more community service programs in the Heart Association's fight against early death and disability from heart disease and stroke," Hedgpeth said.

When contributions are received, the Heart Association will send an acknowledgment card especially designed for the occasion or memorial to the person or family the donor wished to honor.

"All gifts made to the 'A Time To Remember' program are tax deductible, and the amount of each gift will be kept confidential.

For more information, contact Mrs. Hedgpeth at 875-3173 or write P.O. Box 398, Raeford, N.C. 28376.

Happy Hobby Harvest scheduled for Nov. 9

The eighth annual Happy Hobby Harvest will get underway at 9 a.m. on Saturday November 9 at the Raeford United Methodist Church.

Canned and baked goods, as well as arts and crafts will be on sale in the church fellowship hall as the event gets underway.

Church members will have spent the night before preparing 25 hogs and hundreds of chickens over a slow barbecue fire for the Happy Hobby Harvest meals to be served during the day's events.

Barbecued chicken and pork, along with chicken salad, will be available for lunch from 11 a.m. to 2 p.m. in the McLaughlin School Cafeteria at \$3.50 per plate. Children under 12 will be served for \$2.

The evening meal will be served at the school from 5 to 7 p.m. and will include the barbecue dishes, but not the chicken salad.

At 7:30 p.m. the action will move back across the parking lot to the fellowship hall for the annual Happy Hobby Harvest auction.

A variety of items will be up for the bidding.

Retires

Frances C. Anderson recently retired from the Raeford Plant of Burlington Industries after 19 years unbroken service. Ms. Anderson has served in various positions during her many years with the company. She began her employment with the company May 16, 1966 as a Personnel Clerk II. After serving in that position for several years she was promoted to Personnel Clerk III where she worked as the Insurance Coordinator for the B.M. Raeford Plant until her retirement. A luncheon was given in her honor at the local plant and she was presented a gift from her co-workers and a special gift from her two daughters. She also received a Retirement Bible from Plant Management in recognition of her many loyal years of service. Anderson resides in Raeford and her retirement plans are to travel and "see how the other half lives."

Hoke emergency services being honored this week

During this week Fire, Rescue, and EMS will be working together to make the public more aware of the services available to them.

Through the course of this week the public will have opportunities to see the three services at work.

Monday thru Friday the elementary schools will be visited by the units.

On Tuesday night the firemen in the county were honored at a special dinner held at the Gibson Cafeteria.

The annual event is sponsored by the Raeford-Hoke Chamber of Commerce.

On Friday there will be Open House at EMS Base.

The program Saturday will start with a parade at 1:00 on Main Street followed by fireman's competition.

Rescue and EMS displays will be located at the Edinborough Shopping Center.

All are welcome.

Halloween Carnival set

Once again, local civic organizations, parents and concerned residents will team up for the annual Halloween Carnival scheduled for October 26 at Upchurch Junior High School.

Funds raised by the event will go to help provide additional programs for the Trainable Mentally Handicapped (TMH) classes in the Hoke County school system.

This year, as in the past, members of the Raeford Kiwanis Club are donating their time to make the event a success.

The Raeford Jaycees will hold their annual haunted house in conjunction with the carnival, and members of the Raeford Woman's Club and Junior Woman's Club are likely to lend a hand.

Others wishing to get involved with the carnival can sign up to help by calling Jimmy Wood at 875-8355 or 875-8431.

Last year's carnival raised more than \$2,000 for the TMH programs, and enabled many of the students an opportunity to attend classes during the summer.
