## Miscues hurt Bucks

Mistakes continued to plague the Hoke County High School Football team as they lost to Pinecrest High School last Friday night 24-0.

"We consistently hurt ourselves with mistakes -- turnovers," said Head Coach Tom Jones.

"It's not the kind of thing you can expect to win football games with," said Jones.

The Bucks were winless in six starts.

Throughout all defeats and mistakes, Jones and his team remain strong in spirit.

"Our kids have continued to work and have excellent attitudes," Jones said.

"Any less individuals would have folded," he said.

"I have had friends in the coaching business that have gone through similar seasons. Kids would quit their teams. We haven't had any of that," said Jones.

The Buck head coach has always maintained that even if his players don't win a single game, they will develop character while playing for him.

"I think my players turn out to be better people because they played football at Hoke High," Jones has said.

While Hoke High players are being trained to win football

games, they are also being taught to be ambassadors for Hoke County, Jones has said.

In last week's game, Hoke High did gain more first-down yardage than did Pinecrest, making 10 first downs to Pinecrest's 9.

The Bucks were also penalized less than their opponents having to take 5 yards in penalties to Pinecrest's 35 yards.

The Bucks fumbled the ball six times and recovered a fumble once. Pinecrest fumbled once and recovered it.

Next week, the Bucks take on West Robeson.

The team from the neighboring county is also winless, according to Jones.

"We're hoping with all our hearts for a win," said Jones.

The Junior Varsity team from Hoke High handed their Pinecrest counterparts a defeat last week, beating their J.V. team 22-0, said Jones.

"Our offense really got cranked up and scored 22 points," said Jones.

The defensive unit also did a good job.

"We didn't allow Pinecrest's J.V. team to get inside the 30-yard-line," said Jones.

The J.V. Buck's record now stands at 3-3.

The top four contestants (those who've accumulated the most wins by 6:30) will be paired for a championship match. Winners will continue to play at a stake until they are beaten. A game consists of 11 points. Scoring is as follows:

- 1 point - closest shoe to stake
- 1 point - If each player has a ringer, then the next closest shoe, if within 6 inches of stake
- 2 points - two shoes closer than opponent's shoes
- 3 points - two ringers against opponent's one
- 4 points - one ringer & closest shoe of same player
- A leaning shoe has no value over one touching the stake. All equals count as ties, therefore, no points are scored. Only one player scores in any inning. A shoe must be within 6 inches of stake to score.
