Locklear, according to the report, had charges pending in Superior Court from previous arrests for charges brought in a July investigation.

Locklear was released Monday from Hoke County Jail on a \$50,000 bond.

In an unrelated case, approximately \$1,500 was reported stolen out of the cash register at Ashley Heights Texaco sometime between 7 p.m. Thursday and 6:25 a.m. Friday, according to a Sheriff's Department report.

The break-in was discovered by J.P. Pickler when he opened the store on Highway 211 at approximately 6:20 a.m., the report says.

Deputies Wayne Gardner and John Riley were shown where glass had been broken to the door to the garage by Marshall Parks, the report says.

In another incident, Gregory Thomas McGee reported that \$1,800 in cash was missing from his mobile home located in Old Trail Mobile Home Park, Raeford, records indicate.

McGee reported that someone had pried open the door of his mobile home and taken a box covered with green velvet that was left on a dresser in the end bedroom.

The report says the money (in \$100 and \$50 bills) was inside the box.

McGee says he noticed the money was missing sometime between Saturday, December 7, and Tuesday, December 10, according to sheriff's department records.

Also, reports indicate that glass was shot out of the front window of Southeast Farm Equipment, Highway 20, Lumber Bridge, at 3:30 Friday afternoon.

The sheriff's department report says dispatcher Gary Lowe told law enforcement officers the front door glass suddenly cracked and fell out of the door.

Lowe also said he heard a gunshot while a one-ton blue truck was passing by, the report states.

In another incident, Charles McMillon reported to the sheriff's department that a chain saw was stolen out of his mobile home located behind DOT near Rt. 3.

The items were apparently stolen sometime during the weekend, according to Wiggins.
