

WAKE FOREST VS BULLS TODAY

Game Will Be Played on New Ground

PRICE IS A QUARTER

The Grounds Will Be in Good Condition

UNLESS THEY ARE SOGGY

Rains Last Night Badly Needed on the Grounds and Fair Weather Today Will Make Them All Right for Game.

The new park will be christened this afternoon with the game between the Durham Bulls and the Wake Forest team this afternoon this being the first regular game to be played on the new grounds since they were turned over to the Durham team by the grading contractors.

For the past two weeks the players and the management have been looking and hoping for rain, a hard driving rain, which would pack the grounds and get them in better shape for this game today. The rains came last night and it is believed that the diamond will be in excellent shape this afternoon. Scores of people have visited the park during the course of the grading, and it has been the general opinion of all that it was going to make a very pretty ball field. The boys have been using it for practice for the past week or more, but it has been pretty slow on account of the large amount of loose dirt which did not harden under the effects of the sprinkler and the big steam roller. It was impossible to get the surface dirt wet through, nothing but a rain would accomplish this.

All of the seats in the grand stands have been in position for a week and it will be one of the most comfortable places in the state from which to watch a ball game. The grading has left the bleachers several feet higher than the diamond and these will be excellent for the fellow who wants to see the game for a quarter.

The price of admission this afternoon will be only twenty-five cents. This will be an interesting announcement to the fans of the city, who have gotten a little tired of having to pay half a dollar for the privilege of getting enthusiastic over the game.

The Kellyites have been showing up mighty well in the recent games and are now in better shape than ever on account of having the grounds on which to practice for some real team work. Wake Forest is believed to have about the strongest college team in the state, and the game this afternoon will undoubtedly be a very interesting one. Manager Kelly recently saw the Baptist boys play, attending one of their Raleigh games in order to get a line of dope on their ability. He says they have a very strong aggregation of ball players.

Last night he did not know just who would do the pitching for Durham, but expected that the twirling would be done by either Scott, the recruit who so nearly took the game from Philadelphia on Easter Monday, Bugs Eldridge or Watson. The Durham fans have seen neither of these last two pitchers work but they are said to have the stuff with them. Ulrich will, in all probability, hold down the back stop position. Catcher Coveny is in the city and has been helping the manager work out the bunch of young pitchers, but he will in all probability watch the game from the benches this afternoon and help in the coaching. The other positions on the team will probably be filled as follows: First, Morpeth; Second, Red Owens; short, Little Kelly; third, Hargrove; left field, Breslin; center, Shorty Angier; right field, Jim Kelly.

LAMOND AVENUE WON.

Defeated North Durham Yesterday by the Score of 15 to 2.

Lamond avenue yesterday afternoon defeated North Durham in a seven inning game of baseball by the overwhelming score of 15 to 2. According to the reports brought to the office by the small chaps yesterday, Lamond avenue had the better of the contest all the way through. The batteries for Lamond avenue were Powell and Hughes, and for North Durham, Jeffries and Gilles.

The features of the game were the home run by Bob White of Lamond avenue; Arnette's long run to left field from shortstop in catching a ball; and the good work of Debnam in stopping a fly after running from center to left field.

Lakewood Defeated.

Lakewood Park met the Royal Ambassadors of Second Baptist church yesterday afternoon on the diamond and was defeated by the Ambassadors by the score of 6 to 1. Feature for Royal Ambassadors was two home runs by White.

Batteries for Lakewood, Pickard and Wheeler; Ambassadors, Billings and Johnson.

N. H. Norton returned to the city yesterday afternoon from a business trip to the eastern part of the state.

BASEBALL YESTERDAY

The Weather.
Washington, April 11.—Forecast for North Carolina: Local rains Saturday; Sunday fair, moderate south winds.

No games in the National league, on account of rain and wet grounds.

R. H. E.
Chicago 1 7 2
Cleveland 6 2
Batteries: Chicago, Cicotte and Schalk; Cleveland, Gregg and Land.

R. H. E.
St. Louis 8 14 2
Detroit 6 13 3
Batteries: St. Louis, Hamilton, Baumgardner and Agnew; Detroit, Klawitter, Hall and Rondeau.

All other American league games postponed on account of rain and wet grounds.

St. Louis Makes it Two.

St. Louis, April 11.—The Browns trimmed the Tigers today 8 to 6. The weather was cloudy and cold and this apparently was responsible for the lack of control exhibited by the pitchers. The Browns were particularly aggressive in the sixth inning, scoring five runs and clinching the game.

Cleveland Wins the Opener.

Cleveland, April 11.—Vean Gregg, Joe Jackson and Nap Lajoie defeated fifteen Chicago White Sox 3 to 1 on the opening game of the year here today. Jim Cleotis' smoke went for naught against the combined efforts of the three stars named. Nothing but shutout pitching would have won for Chicago and Lajoie and Jackson were on hand to prevent this. Jackson scored two of the runs. Lajoie scored the other run.

PRETTY LOVE SCENES.

Happily Mixed With Many Laughable Situations.

Bought and Paid For seems like something you own, and if someone tries to take it away there will be a fight, is one of the many extracts from the dramatic writers' criticisms of the sensational comedy drama which William A. Brady, Ltd., will present at the Academy of Music on Monday night.

No play produced in recent years has received the unanimous endorsement that has been bestowed on George Broadhurst's latest work, consisting as it does of intense dramatic quality, pretty love scenes, happily intermingled with lustrous comedy. The play is in four acts with the scenes laid in the upper part of New York city. The characters while few, call for clever as well as natural interpretation. Much care has been displayed in this particular element. The production will be exactly as that which is now being presented in New York city.

NOT SALTS AND PILLS 'CASCRETS'

If Constipated, Bilious, Headachy, Stomach Sour, Get a 10 Cent Box of Cascarets—Take One Tonight.

You men and women who can't get feeling right—who have headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have back-ache and feel worn out.

Are you keeping your bowels clean with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets work while you sleep; cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the success bile from the liver and carry out of the system all the constipated waste matter and poison in the intestines and bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular and head clear for months. Don't forget the children. They love Cascarets because they taste good—de good—never gripe or sicken.
