

## FOUR CABINET CRISES REGARDED SIGNIFICANT

### Ministries Of Italy, Poland, Austria and Hungary Quit Simultaneously.

### SEVERAL CAUSES GIVEN

Paris, June 15.—The simultaneous resignation of four European cabinets today, Poland, Hungary and Austria, viewed in official circles here to be significant signs as demonstrating the different political and economic conditions in the present time.

The immediate causes of the resignations were different in each case, but common to them, namely, the resignation of the Italian cabinet, were economic, political and social, with the resignation of the Austrian cabinet, being the result of the economic and political conditions in the northwestern part of the country.

The resignation of the Hungarian cabinet, which was declared today, was the result of the economic and political conditions in the northwestern part of the country. The resignation of the Polish cabinet, which was declared today, was the result of the economic and political conditions in the northwestern part of the country.
