

YADKIN CATTLE WIN MANY FINE PRIZES

Many Are Adjudged Winners At Winston And State Fairs

Yadkin county as a source of quality dairy cattle for both production and type and its dairying possibilities have recently been brought before the general public at exhibitions and through daily records kept on the cattle in production. Two herds have taken a lead in this work, that of M. F. Shore and A. A. Burgess, of Buck Shoals township.

At the Forsyth Fair and at the State Fair show cows from the Shore herd took sixteen prizes, ten of which were firsts, Senior and Grand Champion cow and Junior Champion female. At the State Guernsey Cattle Show six placements were given them. A production record and butter fat contest was won at the Forsyth Fair by the cow, Dawn of Laurel Brook.

For the month of October Mr. Shore's herd averaged 1117 pounds of milk and 65.5 pounds of fat or an average per cow for each day of the month of 4.2 gallons of milk and 2.5 pounds of butter.

A sire, Yeoman's Highboy, purchased from the Shore farm, heads the prize herd of A. A. Burgess. This sire won first place in his class, Senior and Grand Champion for bulls in all breeds at both the Forsyth and the State Fair, also first place at the Guernsey Cattle Show for the State. The different judges, Guernsey breeders and spectators were high in their praise for the Burgess sire which was shown along with the Shore herd. He was pronounced to be one of the leading Guernsey bulls of the United States. His sire, Valor's Yeoman and grandsire, Langwater Valor, have already proved to be meritorious sires of the breed. His dam, Dawn of Laurel Brook, has been grand champion at several shows and pronounced by a leading Guernsey judge as being the most beautiful Guernsey cow in the State for the year 1932.

Mr. Burgess will test daughters of his herd sire as they come into production in order to test his production quality. It is expected by fanciers and farmer breeders of Guernseys that the Burgess herd sire will win many laurels during his life for type and production. It might be said here on behalf of his owner, that he is a man who goes after results in whatever line entered, therefore it is certain that the merits of Yeoman's Highboy will not be overlooked.

Both of these Guernsey breeders are farmers commonly termed "just average farmers" with ambitious aims and untiring efforts, quick to take advantage of natural advantages and improved methods. Both were reared on the farm in the same vicinity where grand, wholesome principals and ideals were instilled within their minds. A desire to some day give proof of the advantages and possibilities of rural life and its adventures was aroused in their minds in early boyhood days.

When a young man Mr. Shore went west where he stayed for a decade or more at which time he returned to Yadkin county bought a farm and began to stock it with pure bred Guernsey cattle that being about 1926, purchasing the first registered female in 1927. Mr. Burgess, a neighbor only a few miles away, had secured several high type Guernseys some years before.

1929 a young bull for herd sire was purchased by Mr. Shore from a nationally known herd at a fancy sum which was to be used in not only bringing up and improving milk cows on the Shore farm but those of his fellow farmers in the whole county and adjoining counties. A modern farmstead was laid out and developed water, lights, silo, were added as a part of the regular farm improvement program. Pasture for grazing, alfalfa, lespedeza, and other hay crops were planted and constitute a part of the regular cropping system.

1930-31 three young cows were tested for production record in class F. Two broke state record, the latter took the record from former. 1930 Dawn of Laurel Brook took first prize at county show and second place at Piedmont Dairy Show. 1932 she was shown at the State Guernsey Show, won first place in her class, first in A. R. cows, Junior Champion, best fitted cow at the show, won silver cup as Grand Champion female.

Scarcely a day passes without the announcement from some business houses of national magnitude, that it is turning again to newspaper advertising to reach the public.

Jonesville Route 1

Rev. I. W. Vestal is conducting a revival at Cool Springs this week, assisted by Rev. Lewis, of Burlington.

This community was deeply saddened last Wednesday by the news of the sudden death of Frank Bryant at his home four miles east of Jonesville. Paralysis was the cause of his death. He leaves a widow and three children to mourn their loss. But their loss is his gain. Funeral services were at Fall Creek Baptist church Thursday, conducted by Rev. D. G. Reece and Rev. I. W. Vestal. Interment followed in the church cemetery. The beautiful floral offering bore silent testimony of his regard and esteem. He had been a loyal member of Fall Creek Baptist church since November 1919.

Misses Arlee Vestal, Gladys and Valena Chapel and Messrs. Owen and James Teague and Beauford Benton visited in Burlington Sunday.

The revival at Swains this week is being largely attended. Rev. James Murray, of Winston-Salem, is assisting the pastor, Rev. Norman. Mr. Murray is preaching some able sermons.

Mr. and Mrs. Zeno Billings, of Elkin, spent the week-end with Mrs. Billings parents, Mr. and Mrs. J. J. Vestal.

Mrs. M. A. Lindley and daughter, Miss Sallie May, of Winston-Salem, spent the week-end with Mr. and Mrs. Henry Brown.

Dr. and Mrs. C. G. Bryant attended services at Swains church Sunday and Sunday night.

Mrs. Susan Hemric and son, Tom, are spending this week with Mrs. Hemric's daughter, Mrs. Rutus Blevins.

We are glad to note that Mrs. Sallie Greenwood's condition is much improved. We hope she will soon be out again.

Mr. Bob Collins, of Elkin Valley, spent the week-end at the home of Mr. and Mrs. J. J. Vestal.
