

L. H. C. CLUB STAGES CHRISTMAS PROGRAM

Girls Under Direction of Miss Austin Entertain Kiwanians

A brief but excellent Christmas program was presented following the Kiwanis dinner at Hotel Elkin Friday night by members of the Lucy Hanes Chatham club, under the direction of Miss Claudia Austin.

Although illness on the part of several of the members who were scheduled to take part in the program proved a last minute handicap, the program proved very entertaining and was enjoyed by all present.

Following a brief talk by Miss Austin, the following program was presented:

Reading—Miss Juanita Billings.
Duet—"Silent Night"—Miss Ruth Carter and Miss Dorothy Penfield.
Reading—Miss Dorothy Penfield.

TIMELY FARM SUGGESTIONS

By J. W. CRAWFORD
County Farm Agent

TO THE TOBACCO GROWERS OF SURRY COUNTY

We are near the end of the tobacco sign-up campaign, and if you haven't signed your contract, come to my office as soon as possible and sign up before it is too late. At the present time, we have a better sign up than we had with the agreements, and it looks as if it is going to be nearly 100 per cent this time in Surry County.

From the way the contract reads the man that has grown tobacco in any year during the last three years is making a sad mistake if he doesn't sign the contract, as the government has promised to help the man that does sign the contract, while there is nothing promised to the man that does not sign.

The man that has signed the agreement and has not signed the contract will have to sign the contract as the agreement is binding, as you agreed to sign the contract when you signed the agreement. So we will expect this man to come on and sign the contract at once.

The Contract Requirements

The contract is drawn up by the Federal Government and not by the County Agent or the County Committeemen, so please do not ask the County Agent or the County Committeemen or the office force to favor you in your contract, as none of this force is allowed to make any changes in this contract.

Crutchfield Items

The truck farmers in this community are having a difficult time planting their early cabbage this fall, owing to the continued dry weather and scarcity of plants. There is quite a crop of early vegetables grown here each spring.

Mr. J. F. Mosley and family of Elkin, were visitors here Sunday, spending the afternoon with Mr. Mosley's mother and his sister, Mrs. W. A. Correll.

We were sorry indeed to learn of the death of little Mattie Sue Dobbins, daughter of Mr. and Mrs. Cleveland Dobbins, of Union Cross community. She was taken ill of membranous croup early Sunday morning and only lived through the day, dying at 7 o'clock that afternoon.

The services were conducted Monday afternoon at Union Cross Baptist church by the pastor, Rev. T. S. Draughn, assisted by Revs. L. B. Murray and E. B. Draughn. Interment was in the cemetery there.

Mattie Sue was only two years and two months old, and was the idol of the family. She was a sweet child and was loved by all who knew her.

We extend our heartfelt sympathy to the bereaved family and relatives. May God's richest blessings be with them in this sad hour of bereavement.

We are very glad to learn that the condition of Mr. J. L. Jones, who has been seriously ill for several weeks, shows some improvement. We hope that he may soon be out again.

Once again the Christmas season is almost upon us. The time that makes us feel young and joyful. So we sincerely wish for the official family of The Tribune and all of its readers, the best Christmas they have ever had and a Happy New Year too.
