## KEEN INTEREST SHOWN IN CASH OFFER CAMPAIGN

### \$600 and \$400 In Cash Are Part of "Wonder Prize List" Offered

#### ANNOUNCE 300,000 EXTRA VOTE OFFER FOR REAL WORKERS

#### Big Opportunity For Those Who Expect Major Awards

#### ENTRY BOOKS OPEN

The entrants in the Tribune "Cash Offer" Campaign are gradually swinging into line. The public is daily becoming more and more interested in this great profit sharing event and in the progress of the "live wires" entered in the race for the big awards. New entrants are coming in every day—people who realize the generosity of the "Cash Offer" as an easy way to make some real money during the next few weeks. Those who have entered so far have no particular experience in soliciting subscriptions. None is needed. They are people from all walks of life—people who, for the most part, are occupied with their regular work during the day, but who appreciated the possibilities of making their spare time pay big dividends.

**Big Extra Vote Offer**  
For each and every \$30 club of both old and new subscriptions sent in on or before Saturday, December 8th, 300,000 extra votes will be given in the "Cash Offer" Campaign. These votes are in addition to the regular votes allowed for each subscription as shown on the back of the receipt book. Just think of it! Two ten-year subscriptions constitute a "club" and entitles the contestant to 300,000 extra votes. Of course, smaller subscriptions count to make up the \$30.00 worth just the same.

Members are not limited to the number of subscriptions they may obtain. Any contestant may get as many of these big vote ballots as they choose—depending on their ability to sell the Tribune subscriptions.

This 300,000 extra vote offer can be the means of placing you safely on the winning list.  
Remember, this offer closes Saturday night, December 8th, and there will be a big drop in votes after that time. They go down—way down.  
Note—Each member must make a subscription report on Saturdays and Wednesdays until this time. The Campaign office will be open each Wednesday until 6 P. M. and each

### "HEAVEN BOUND" IS OUTSTANDING

#### Play, Featuring An All-Negro Cast, To Be Given Here Friday

"Heaven Bound" which will be presented in the school auditorium Friday evening, November 30, under the auspices of the Elkin Woman's Club, is one of the outstanding works of the south in recent years. Violet C. Thomas, writer and producer of the play, has received flattering offers for her company to present the play in northern and western cities. They were also offered a contract to show at the World Fair for the entire season.

The play is a pageant, a sermon and a concert, which correlate into a harmony of sight and sound that thrills the emotional side of everyone who sees the production. It is representative of the best instincts, traditions, ideals and conception of religion entertained by the colored race.

Executed entirely by negro talent, composed of natives of Shelby, this play has been presented in various towns and cities throughout North Carolina. In Durham it was sponsored by the Durham Conservatory of Music, thus placing the stamp of high recognition on the pageant.

#### Annual Christmas Seal Sale Begins Here December 5th

The annual Christmas seal campaign will be held on Wednesday, December 5, according to Mrs. E. F. McNeer, chairman of the seal sale here. Three-fourths of the money received from the sale will be kept in Elkin for the fight against tuberculosis in this immediate territory.

This year marks the 50th anniversary of the sanatorium movement in this country, which has met with wide success. Still tuberculosis ranks as the first cause of death between 18 and 40, and still causes 75,000 deaths annually in the United States.

With the approach of the holiday season citizens are requested to use these little seals on all mail and packages and aid in this most worthy cause.

Each section of the residential and business section will be canvassed on next Wednesday and a liberal response is urged.

#### HUNDREDS LISTEN IN HERE ON RADIO TO HEAR R. PYRON

#### Manager of Klondike Farm Talks With Byrd Expedition

#### CALF FINE, THANKS

A talk of little over a minute's duration by Ruohs Pyron, manager of Klondike Farm, last Wednesday night added a touch of badly needed spice to the commercial broadcast of a large food company which weekly establishes contact with the Byrd Expedition in Little America.

Interest here had waned in the program until Mr. Pyron visited the New York studios of the Columbia Broadcasting company to inquire as to the health and general welfare of Klondike Iceberg, the only calf ever to be born "down under." Klondike Nira, a pedigreed Guernsey cow loaned the expedition by the local farm, is the mother.

Although having the air but a very short time in a two-way conversation with a member of the expedition 10,000 miles away, the local man injected a running fire of wit and humor into his remarks that proved to be the high spot on a program that usually is sadly lacking in color and entertainment value. And it is safe to say that approximately 100 per cent of all Elkin radios were tuned to bring in that particular program, not to mention the radios of Mr. Pyron's thousands of ac-

After hearing the evidence, which was to the effect that the boy met death while walking along the highway where the defendant's car struck him, Magistrate Hinson returned a verdict of probable cause and set bond at \$2,500.

#### HALF-MILLION GOAL REACHED HERE BY THE BANK OF ELKIN

#### Resources of Institution Now Total \$501,202.28

#### GAIN OF \$158,496.88

On April 12, this year, Garland Johnson, cashier of The Bank of Elkin, announced a drive for new business, stating that the bank had set a goal of half a million in resources by December 31, 1934.

On November 23, last Friday, the bank reached its goal, showing total resources of \$501,202.28, as compared with resources of \$342,705.40 on April 12, last, when the campaign was begun.

It will be noted that the goal has been reached a little more than a month sooner than was anticipated.

Mr. Johnson pointed out that this increase in business, which really amounts to \$158,496.88 within a period of approximately seven months, reflect the confidence of the citizens of Surry, Yadkin, Wilkes and neighboring counties in the sound and conservative loan policy of the bank.

He further stressed the fact that the bank has a high liquid position, and called attention to the liquidity of notes amply secured.

Since opening following the bank holidays, The Bank of Elkin has made gains daily. Making a comparatively modest beginning, it has grown with a rapidity that should be a constant source of pride to the citizens of this section. Officer by a staff thoroughly capable and wise in the ways of banking, it is predicted the institution will continue to grow and to reflect the confidence of the community as a whole.
