CHRISTMAS CHEER BROUGHT TO NEEDY FAMILIES OF CITY

Eighty-Five Baskets Are Distributed; Auction Nets \$81.25

EXERCISES AT TREE

Approximately 85 needy families of Elkin were visited by Santa Claus Christmas Eve, who, representing the Elkin Kiwanis club and other civic organizations, left at each home a well-filled basket of food, fruit and toys.

It is thought that no one was overlooked, there being several baskets remaining after all needs were filled.

The Christmas baskets were delivered by a Carolina Ice & Fuel company truck from the office of the Southern Public Utilities Co.

Donations of food, toys and money were contributed to the basket fund by civic organizations. A total of \$81.25 was raised Friday night at the Kiwanis club auction sale which was held in the show room of Elkin Motors, Inc., local Ford dealers, and which was open to the general public. The auction was held following exercises at the lighting of the community Christmas tree, located on the vacant lot on West Main street across Church street from Turner Drug Co. This money went to the Christmas cheer fund.

The Kiwanis club meeting Friday night was cut short due to the community tree exercises and the auction sale.

Ed R. Carter, of Eustis, Fla., father of Wilbur and Roger Carter, of this city, was a guest of Kiwanian Wilbur Carter.

New Ford To Be On Display Saturday

The new 1935 Ford V-8 will be on display in the showroom of Elkin Motors, Inc., local Ford dealers, Saturday and the public is invited to visit the showroom and inspect this modern new car.

Announcement by the Ford Motor Co. is to the effect that the V-8 motor has not been radically changed although several improvements, including crankcase ventilation has been added.

Major changes, it was said, have been made in the body of the car, the rear seat having been moved up in front of the rear axle, thus assuring easier riding comfort. Other major improvements have also been made in streamlining.

No Check Tax After January 1st

After December 31 the tax on checks issued on bank deposits will be discontinued.

Discontinuance of the bothersome two-cent tax on every check is expected to be a great boon to checking deposits in banks and will greatly facilitate the banking business.

The custom with banks in handling the tax has been to charge two cents for each check off the depositor's account when the check is paid. Those who do a large business with checks will realize a substantial saving when the tax is discontinued.

Is Deputy Sheriff

W. J. Snow, of this city, was sworn in Saturday as a deputy sheriff.

Thirty per cent of the proceeds will be turned over to the national committee for delivery to the President to be presented by him to a national commission, which he will create, to widen research efforts aimed to wipe out the disease itself, exactly as medical science has successfully combated smallpox, diphtheria, typhoid fever and other dangerous maladies.
