Strong Finish Of Big Prize Race Is Predicted And Big Week Is Indicated By Drive Members Activity—Members Who Mean To Win Best Cash Awards Are Leaving No Stone Unturned In Their Quest For Subscriptions—Big Race Ends Two Weeks After Present Offer Expires Get the Winning Votes Now!

"They are going to finish strong." Here's why we think so: Reports from the outside sections are to the effect that the communities and towns are getting behind their favorites this week and urging them on to greater efforts and giving encouragement with the support of their subscriptions. Again the added Cash Prize for extra effort put forth this week is a great inducement and is appreciated by one and all alike. All are anxious to come in for the Cash Prize. Not alone for the prize itself, but for the knowledge that the extra votes that will be secured on the business turned in this week will go a long way toward placing their names in the winning column when the big count takes place.

\$60.00 Extra Cash Prize
If \$60.00 in extra Cash Prize for twelve days extra effort isn't sufficient inducement for one to put one's best effort for a period of twelve days, nothing is. And remember, if you were the lucky candidate on last week's Extra Cash prize of \$40.00 given for the candidate who turned in the most money for subscriptions for that week, you will have all the better chance this week of winning the \$60.00 Cash Prize. If you put forth every effort this week it is possible to win the \$60.00 Cash Prize in one week's work. One of the earnest workers will receive that much for the short period of twelve days for securing the largest amount of money for both new and old subscriptions. Not so bad is it? That isn't all either. Double the regular schedule of votes will be credited upon all subscriptions that are turned in this week. Subscriptions have two-for-one value this week.

Double Votes
While the number of extra votes credited upon subscriptions is not as great as the preceding extra vote offers, it is such that if a member exerts himself or herself to the fullest extent getting subscriptions and have them apply under the present Cash and Double Vote Offer, the additional votes will place that member right in line for some of the very best things on the list. One thing is certain, with the value of the prize list at such a high figure and with the extra prize to spur one on, it is needless to say that one and all will make a determined effort to outdistance all competition this week. Some perhaps have not cared to show their real capacity for getting subscriptions up to this time. These will leave no stone unturned in their quest for subscriptions now while their efforts will be rewarded bountifully.

End Drawing Near
After this present week, just two weeks remain until the race ends and the votes will be counted. Then the voters will receive the rewards for their efforts. Two very valuable cash awards will be presented their new owners. Just who these fortunate members will be may be decided by the votes obtained now under the big Extra Cash offer. Go to it, members, good and strong this week and secure enough extra votes on your subscriptions to land the award for which you have been striving so valiantly. Get those \$60.00 Winning Votes Now! This Week!

Notice To Subscribers

We are now adding several hundred new subscribers to our mailing list each week and our list is also being revised as to renewals. There will, of course, of necessity be some errors made in handling a list of names of this size. However, we are endeavoring to keep errors at a minimum. The first figure on your label shows the month and the next two figures the year to which you are paid according to our records. Please look at it NOW and advise us immediately if incorrect. Also if you are receiving two papers the chances are that we have failed to give you credit on your old subscription and we will appreciate your notifying us at once.

DAN CUPID DOUBLES BUSINESS IN 1934

Surry Register of Deeds Reports 162 Marriage Licenses Sold

Operating under a system that dates back to the Garden of Eden and which government control or the NRA has not touched, Dan Cupid, Inc., during the past year increased his business in Surry county almost 100 per cent., figures released by Worth Gray, register of deeds show. Almost twice as many marriage licenses were issued during 1934 as during the preceding year.

The fiscal year on the license books ends the first Monday in December and records disclose that 162 licenses were issued to couples during the 12 months that ended on Monday, December 3, 1934, lacking just six license of doubling the 1933 figure when only 84 were granted.

The Christmas rush for licenses for the past year, figured to include the licenses issued during the month of December up to the 27th failed to equal the Christmas rush of 1933. Mr. Gray issued 30 licenses in December, 1933, and had issued only 27 in 1934 up to December 27.

Whitaker and Clyde Walker, gave each pupil and their families a small gift. In addition to this Mr. and Mrs. A. L. LATE NEWS from the State and Nation

5 PERISH IN S. C. FIRE

Gaffney, S. C., Jan. 1.—Flames, which horror-stricken witnesses were powerless to fight, burned five aged men to death, injured 15, and destroyed the \$10,000 Cherokee county home early today while convicts from a nearby prison camp made heroic efforts to save the 37 inmates.

The absence of water and fire-fighting equipment permitted the 79-room brick dormitory to turn into a furnace which raged in near-freezing weather as enfeebled and bedridden men and women screamed and fell unconscious in the greedy fire and billowing smoke.

Raleigh, Jan. 1.—Although some 50 per cent of the state's motorists apparently have not purchased their 1935 automobile license plates, reports tonight from over North Carolina indicated there was a drive against the delinquents only in the far western counties of the state.

Lieut. L. R. Fisher, of the state highway patrol, stationed in Asheville with 36 western counties under his command, reported "300 or more" drivers arrested today for operating their automobiles without the new tags.

ROOSEVELT OPPOSED TO WAR BONUS PLAN

States Opposition Plainly In Letter To Post Commander

Washington, Dec. 31.—President Roosevelt moved tonight to rally the support of the nation behind his opposition to immediate payment of the \$2,100,000,000 soldier bonus.

In a letter to Garland R. Farmer, commander of the American Legion post at Henderson, Texas, made public at the White House, Mr. Roosevelt emphasized the bonus was not due until 1945, that immediate payment would be harmful to veterans and their families and that prompt disbursement of such a huge sum would not aid recovery as contended by some.

Although the missive contained no direct statement concerning what action the President would take if a bonus bill is passed by the Seventy-fourth Congress, it was interpreted as proof that the White House is not prepared to compromise on this issue with either Capitol Hill or the veterans.

Mr. Roosevelt feels the veterans as a class have been treated as well, if not better, under the new deal than any other group of American citizens. He said in his letter that ex-service men had been given preference in direct distribution of relief and in employment.

M. C. Whitener, of Elkin, has accepted a position with the local lumber and manufacturing firm. Mr. Biddix, it is understood, was planning to move his wife and two children here immediately. However, due to an injury sustained while shooting fireworks, his son is ill and this is expected to delay the moving of the family here.

Mr. Wilson's family, it is understood, will continue to make their home here for the present.

He seldom loses his job who loses himself in his job.

POLICE IN SEARCH FOR KERMIT SPICER AND MORRISON GIRL

Alleged To Have Forged Local Name To One Check For \$4.00

SEVEN CHECKS OUT

As the result of a regular epidemic of forged checks which have been circulated here and in vicinity, warrants have been issued for Pearl Peyer Morrison and Kermit Spicer who are charged with cashing a forged check at Cash & Carry Store No. 2 here and at the O. H. Teague filling station in North Elkin. The check cashed at the Cash & Carry store was alleged to have been presented by the Morrison woman while Spicer is alleged to have cashed the check at the filling station.

Five other forged checks, thought to have been forged and cashed by Spicer and Morrison, are on record, but those holding them do not have sufficient evidence to charge the two with forgery in those cases. Neither Spicer nor Morrison had been arrested late Wednesday afternoon although officers were said to be in search of them.

Two of the checks in question were forged in the name of Elaine Warren, local automobile salesman. One check was made out to Fred Harris and the name of Claude Ferrell, of Elkin, was forged thereto. Several other checks, thought to have been made out to imaginary persons were signed Mrs. Alice Smith, and were forgeries of the signature of Mrs. Smith, who lives at Roaring Gap.

Among those receiving the checks, in addition to the Cash & Carry store and the North Elkin filling station are the local J. C. Penney store and Hotel Elkin barber shop. It is understood those wanted by police were in town Tuesday afternoon and that they failed in an attempt to cash a check drawn on Mrs. Alice Smith at McDaniel's Department store when a call to the local bank disclosed that Mrs. Alice Smith did not have an account there.

Although Spicer and the Morrison woman are the only two being sought by police, it was learned that another woman is thought to have been working with them. However, officers have no evidence to justify her arrest. The amounts of the checks ranged from \$4.00 to \$11.00.

It has been learned here that a series of forged checks have also been passed in North Wilkesboro. However officers do not know that the same parties are responsible for both batches.

Horse Throws Rider And Falls On Him

Mr. Lyons' condition was said not to be critical.
