

THE ELKIN TRIBUNE

VOL. No. XXIV, No. 32

ELKIN, N. C., THURSDAY, JUNE 20, 1935

PUBLISHED WEEKLY

LATE NEWS from the State and Nation

CONSTRUCTION FIGURES SHOW LARGE GAIN

Raleigh, June 18.—Construction permits issued in 119 North Carolina cities during May show residential building increased 254 per cent while non-residential types gained 225 per cent over the same month last year, the state department of labor reported today.

The report shows that permits were issued for 442 projects calling for expenditures of \$864,236. Repairs and alterations were shown to have decreased 5 per cent.

CONSTITUTIONALITY OF SECURITY BILL ARGUED

Washington, June 18.—The constitutionality question, jinx of some other administration programs, today was raised against the social security legislation in a closely divided senate debate over the Clark amendment to exempt private old age pension systems.

Argument over that amendment threatened to delay a final vote on the complex and controversial program President Roosevelt said would remove some of the hazards of modern life.

STATE'S SHARE MAY BE \$50,000,000

Washington, June 18.—A report was circulating among officials here today that North Carolina's share of the four billion dollar work relief fund would be around \$50,000,000. The idea seems to be to allocate the funds to the states on the basis of the people on the relief rolls, or the unemployed list in the various sections.

PARALYSIS CASE IN LENOIR COUNTY

Kinston, June 18.—Lenoir county is no longer a white spot on the infantile paralysis map with numerous cases in surrounding counties. Lenoir remained singularly free from the disease until today when the health department reported Carrie May Freeman, negro infant of Kinston, to be suffering from it. The department said a child in another neighborhood had developed symptoms.

TWO DIE IN WAKE FROM PARALYSIS

Raleigh, June 18.—Two deaths in Wake county today resulting from infantile paralysis brought to seven the number of fatalities from the disease in the current outbreak in North Carolina in which 153 cases have been reported.

PROJECTS BEGUN IN JONESVILLE

Work Under Way On Addition To School Building

Considerable construction work is under way in Jonesville, including road work and the construction of additional school facilities. In addition land has been purchased for a recreation ground and as a site for a gymnasium adjoining the Jonesville school.

A highway one and one-half mile in length, joining the Jonesville and Howell schools, is now under construction, it being an ERA project. Construction work on an eleven-room addition to Jonesville high school is well underway. A five-acre tract of land to be used as a recreation ground and a site for a gymnasium was purchased by the Jonesville commissioners a short while ago.

Plans are under way for a new two-story school building for negroes. Although this project is pending, those in charge are said to have every assurance that it will be built.

Vacation Bible School To Get Under Way 24th

The annual daily vacation Bible school will begin at the First Baptist church Monday morning at 8:30 and will continue through Wednesday of the following week. Classes will be held daily at 8:30. All children in the community from 4 to 16 years of age, regardless of religious affiliations are invited to attend.

"Dizzy" Has Troubles

ST. LOUIS . . . Jerome "Dizzy" Dean (above), talked a great deal last winter after starring in the world series play. This year he has had a hard time winning games for the St. Louis Cardinals, the climax being a near riot with his own teammates at Pittsburgh. "Dizzy" is troubled and meek now . . . and says he's sorry.

MRS. M. F. GREGORY IS TAKEN BY DEATH

Beloved Jonesville Woman Passes Away Tuesday Morning

Mrs. Jane Goforth Gregory, 71, wife of M. F. Gregory, passed away at her home in Jonesville Tuesday morning at 8:50, following a two weeks' critical illness from a complication of diseases.

The deceased was one of Jonesville's most beloved women, having made her home there for the past forty years. She was a native of Wilkes county. Mrs. Gregory was a devout member of the Jonesville Baptist church.

Funeral services were held from the Jonesville Baptist church Wednesday afternoon at 2 o'clock and interment was in the Jonesville cemetery. The rites were in charge of Rev. R. E. Adams.

She is survived by her husband and the following daughters and sons: Mrs. M. F. Robertson, Hudson; Mrs. G. E. Mangum, Danville, Va.; Mrs. Ellis Coon, Pinnacle; Mrs. T. L. Triplett, Van Nuys, California; Mrs. S. T. Eskridge, Mrs. W. M. Stroud and Parks and Rome Gregory, Jonesville, and Tyre Gregory, Charlotte. Several grandchildren and great-grandchildren also survive.

HOME OWNERS' LOAN EXPIRES JUNE 27TH

Applications For Loans Won't Be Accepted After That Date

Salisbury, June 15.—The attention of home owners in distress who desire aid of the Home Owners' Loan Corporation, was today called to the fact that under the amendment of the HOLC Act, recently passed by Congress, the period for filing new applications will expire at midnight, June 27th, 1935. After that date, it was stated by T. C. Abernethy, State Manager of the Corporation here, no applications will be received from home owners who are in distress and who are eligible under the law for assistance, and he urged that all those desiring assistance file their application at once.

Mr. Abernethy stated that regulations, as to eligibility, remain virtually unchanged, and those desiring complete explanation of what cases are eligible may receive it, either by calling at the State Office, Post Office Building, Salisbury, N. C., or one of the District Offices, or by writing for full information. Office hours of the Corporation, for the summer, became effective two or three weeks ago, and are from 8:30 A. M. to 4:30 P. M. Mr. Abernethy stated that these hours have been changed, for the convenience of the public, and application clerks will be on hand in the State and District Offices until 5:30 and later every afternoon until the time limit for filing applications expires.

District offices are located as follows: Raleigh, Charlotte, Greensboro, Asheville and Greenville.

Sparta Farmer Injured In Fall From Machine

Rufe Richardson, farmer, of the Sparta community, is in the local hospital suffering from a severe skull fracture sustained in a fall from a mowing machine Monday. Mr. Richardson's condition is regarded as serious.

MAJOR PROGRAM OF IMPROVING COUNTY SCHOOLS PLANNED

Would Secure \$200,000 Allotment From Public Works Fund

WOULD AID ELKIN

A major program of improving the county's school facilities is being worked out by County Superintendent of Education John W. Comer, which, if approved by the county board of commissioners, will be completed and forwarded to the proper officials in Raleigh for action.

Mr. Comer was present at a meeting of the commissioners at Dobson Monday, but due to the absence of one of the board through illness, no action was taken.

The superintendent of education proposes to secure an allotment of \$200,000 from the Public Works fund, 45 per cent of which would be a grant or donation from the national administration and the remaining 55 per cent to be a loan to the county at four per cent interest payable in 20 years.

Mr. Comer has conferred on several occasions with officials in Raleigh who are directing the relief programs in this state and he has the assurance of their approval of his school building program in the county.

The larger projects contemplated in Mr. Comer's plan follow:

A modern school building at Shoals; four room addition to Beulah school; six room addition to Westfield school; a new building at Elkin, to consist of 10 to 12 rooms, this to be in addition to the present building; considerable enlargement of the school facilities in Mt. Airy, which would probably be the rebuilding and enlarging of the old section of the Rockford street school building, adding 10 to 12 rooms to the present capacity of the plant.

Mr. Comer is of the opinion the county will be willing to secure the funds for this project throughout the county including the work in the towns of Elkin and Mount Airy. At the same time the cities are also at liberty to make applications for public works funds to make additional improvements in their school plants or for other municipal purposes.

Threshers Must Keep Account of Quantity

It is the duty of every person, firm or corporation, who engage in Surry or any other county in the state, to keep a complete and accurate record of the acreage harvested amounts threshed for each farm, it was learned Tuesday from W. M. Gray, Surry county register of deeds.

Everyone engaged in threshing should promptly make, upon blanks to be furnished by the register of deeds, reports showing acreage harvested and amounts threshed during the preceding season. A violation of these provisions is punishable by a fine of not exceeding \$25, provided the register of deeds shall give 30-days' notice before indictment is made. In case a report is made within the 30-days period no indictment will be made.

A charge of 50 cents will be made this year for license.

Blanketeers Victors Over Lynchburg Shoemen

Meeting the touted Shoemen of Craddock-Terry on their home field at Lynchburg Saturday and Sunday, the Chatham Blanketeers lifted their first scalp of the series to win 7-6 in the first game and came back Sunday to completely rout their opponents 13 to 2.

In Saturday's game a six run outburst in the eighth gave the Blanketeers their victory in a game marked by the exceptional defensive play of the Lynchburg team. Corky Cornelius, with a circuit bunt, claimed a large share of the glory by scoring the tying and winning runs.

Stockton started for Chatham and although not hit hard he let the Shoemen run wild about the bases, six stolen bags being attributed directly to him, all leading to scores. He did not come out for the fifth and Campbell took over the mound, yielding only two hits in five innings, and top-

President Grooms Shriners

WASHINGTON . . . Imperial Potentate Dana S. Williams, with other Nobles of the Mystic Shrine, visited the White House to receive hearty greetings from their brother Noble, President Roosevelt, as the Shriners gathered here for the Sixty-First Imperial Conclave, June 9th.

Pension Checks Are Distributed to Old Soldiers of County

Pension checks, totalling \$8,870, have been distributed during the past week to a total of 75 Surry county veterans and widows of veterans of the War Between the States.

Two veterans have died since the first of the year, leaving only 16 Confederate soldiers in the entire county. Fifty-nine widows of veterans survive.

TEER LOW BIDDER ON PARK HIGHWAY

First 12 Mile Section To Be Constructed In This Vicinity

Bids for construction of the stretch of scenic highway leading southward from the North Carolina-Virginia line above Lowgap to its intersection with N. C. highway 26 in Alleghany county, were opened Wednesday afternoon in Roanoke, Va., at the office of the federal bureau of roads. The lowest bid was made by Nello L. Teer, Durham contractor.

Teer's bid for the job was \$363,837.50, provided the 4,100 feet of culvert piping to be used is made of cast iron. His alternate bid, calling for the use of reinforced concrete culvert pipe, was \$365,862.50. Ten other bids were opened.

The road is to be built for 12.4 miles, which will be the first stretch to be constructed in this section and will be one of the links which will form a 200-mile parkway from the Virginia line to the Tennessee line, eventually connecting the Shenandoah and Great Smokies national parks.

ELKIN FURNITURE TO PLAY BIG PART

Complete Line of New Samples Shipped to Furniture Show

Merchandise made in Elkin will again play an important part in the national furniture show at Chicago opening on July 8. A complete line of new samples has been shipped by the Elkin Furniture company to its display space in the American Furniture Mart, it was announced yesterday.

At the Mart, the line will be seen by thousands of buyers from retail furniture and department stores in every state. Between 6,000 and 7,000 buyers are expected to attend the market in the two weeks of July 8 to 20.

Included in this season's new samples are new creations in modern and colonial maple bedroom suites, also including attractive new designs in modernistic and Borax walnut finished suites.

In charge of the local market exhibit will be M. A. Biggs and M. R. Bailey, who will leave soon for Chicago. The company's salesmen, from all territories, will also be in Chicago to meet their customers at the show.

A successful market is anticipated for this summer, according to word received by Mr. Bailey from the American Furniture Mart. Attendance of buyers throughout the spring has been running 40 per cent ahead of last year, indicating that the retail stores are in the market for new merchandise.

As the Furniture Mart will be closed to the public, consumers will not see the new models until they reach the floors of the retail stores later in the new season.

To Hold Sunday School Here Sunday Evening

Admittedly an experiment to see if Sunday school attendance will pick up, the Sunday school hour at the Elkin Methodist church next Sunday will be changed from the usual hour of 9:45 a. m. until eight o'clock p. m., it was learned Tuesday from J. G. Abernethy, superintendent.

Mr. Abernethy stated that there will be but two services Sunday, preaching at the regular 11 o'clock hour in the morning and Sunday school in the evening.

Everyone is urged to attend both services.

Surry Man Is Named Highway Safety Head

Arthur P. Fulk, of Pilot Mountain, formerly deputy collector of revenue, has been selected as director of the state division of highway safety, it was announced Tuesday by A. J. Maxwell, commissioner of revenue.

Mr. Fulk will assume office on July 1. The highway safety division will be a subsection of the department of revenue.

The new director, a World War veteran, has served since July, 1933, as a deputy collector of revenue in Surry, Stokes and Alleghany counties.

FARMERS TO VOTE JUNE 25 ON AAA TOBACCO PROGRAM

Tobacco Section of Act Expires With This Year's Crop

ALL SHOULD VOTE

An election will be held in Surry county Tuesday, June 25, among tobacco farmers to decide whether the tobacco section of the Agricultural Adjustment Act will be continued or allowed to lapse upon the harvesting of this year's crop. Present contracts expire this season.

Voting places in the different townships of the county follow, and all farmers are urged to be sure to cast their vote:

Bryan township, Bryan school; Dobson township, courthouse; Elkin township, North Elkin school; Eldora township, Eldora school; Franklin township, Franklin school; Long Hill township, Cook's school; Marsh township, Little Richmond school; Mount Airy township, Franklin school; Pilot township, Brown's Hatchery; Rockford township, Cope-land school; Siloam township, Siloam school; Shoals township, Shoals school; Stewart's Creek township, Pine Ridge; Westfield township, Cook's school.

Highest tobacco prices in a number of years were obtained last year under the AAA, and good prices are expected this year. It is believed that a majority of the farmers will vote for its continuance as regards tobacco.

FORMER TRAPHILL GIRL IS KILLED

Is Thrown From Rumble Seat In Water As Car Hits Bridge

Miss Evelyn Mae Pruitt, 26-year-old native of Traphill, was fatally injured Saturday when she was said to have been thrown from the rumble seat of an automobile when it struck the Donnaha bridge on the Elkin-Winston-Salem highway, and fell 40 or 50 feet into the water, landing on a log. She died shortly after reaching a hospital.

Miss Pruitt, who lived in Winston-Salem for the past seven years, was returning to that city from Traphill where she had been to visit her people.

The car in which she was riding was said to have been driven by Troy Kirby, who lives near Ogburn Station. It was said the car skidded near the bridge, a fender hitting the railing and throwing the girl into the water. She sustained a fracture of the skull, a badly broken ankle and other injuries.

Five brothers, five sisters and three half-sisters survive.

MANY ARE ENROLLED IN SUMMER SCHOOL

64 Teachers Are Registered; 1st Term Ends July 16th

Enrollment of teachers in the first term of Catawba College summer school division at Elkin has gone beyond last year's registration despite the keen competition of other colleges in nearby towns. Sixty-four teachers have registered, many of whom are college graduates working for the life certificate and the high school principal's certificate, Local Director Walter Schaff said. All courses are under strict supervision of Catawba College authorities, and the courses offered give both college and professional credit.

Mr. Schaff has one full-time and one part-time instructors assisting in the work. Miss Louise N. Gill, supervisor of the Shelby public schools, is full-time assistant, and Mrs. Walter Schaff, formerly instructor of voice at Lenoir-Rhyne College, is part-time instructor, her work being in public school music.

The first term closes July 16. Registration for the second term will take place on July 17.

Children are the best assets of any community; why not develop them fully.

Let's not get the idea that the era is approaching when we can get something for nothing.
