

Surry Voters Are To Choose Nominees Saturday Balloting

DEMOCRATS WILL VOTE ON STATE, JUDICIAL OFFICES

Numerous Candidates Are in Field

REYNOLDS VS. HANCOCK

Three Are Seeking Job as Judge of Twenty-First Judicial District

VOTE HERE AT McNEER'S

Saturday voters of Elkin, Surry county and the state will march to the polls for the biennial party primary election to decide what is what among the various candidates who seek nomination to state, national and judicial district offices.

Voters of Surry will be given two ballots upon which to cast their votes. One of the ballots will carry the candidates for the state and national offices and the other will bear the names of candidates seeking judicial district offices.

The state and national ticket will call for votes between Frank Hancock and Robert E. Reynolds for the post of U. S. Senator; between Paul Grady and Stanley Winborne for state utilities commissioner, and between A. D. "Lon" Folger, George Fulp and Marshall C. Kurfees for member of congress from the state's fifth district.

The other ticket will bear only the offices of judge and solicitor for the 21st judicial district. Voters will decide between Judge E. C. Bivens of Mount Airy; J. M. Sharp and Allen Gwyn, both of Reidsville, for the judgeship, and between Archie Carter, Mount Airy; W. R. Badgett, Pilot Mountain; Ralph Scott, Danbury; Banks Horton, Yanceyville, and Allen Ivie, of Leaksville, for solicitor.

Major interest here will probably center on the race between Hancock and Reynolds for the senate. Hancock is popular here, having done considerable work in securing Elkin's new postoffice and being helpful in other ways as Congressman from this district. He has visited Elkin and this section on numerous occasions, while Senator Reynolds is not so well known personally hereabouts.

The polling place for Elkin township will be at McNeer's warehouse. However, instead of the polls opening at sunrise and closing at sunset as is customary, the hour has been changed so that the voting place will open

Correction

Due to an error in last week's Tribune concerning the arrest of several chicken thieves near Mountain Park, it was stated that "George Ayers and Nixon" drove up in a truck which was loaded with chickens, and were arrested. This should have read: "George Ayers and Earl Oakley" drove up in the truck. The "Nixon" mentioned was Magistrate Scott Nixon, who aided in the capture of the thieves. The Tribune regrets the error.

LATE NEWS from the State and Nation

SAYS REYNOLDS IS ASHAMED OF RECORD

Elizabeth City, May 31 — Representative Frank Hancock, of Oxford, candidate for the Democratic nomination to the U. S. Senate, told an Albemarle Sound region audience tonight that Senator Robert E. Reynolds was afraid and ashamed of his record as a senator and now was trying to "dodge" his way into another term.

"But he can't do that with me," the congressman said. "He has got to explain himself or else go before the people next Saturday without any explanation."

"OUR BOB" LOVES THEM ALL

Winston-Salem, May 31 — Smiling confidently through the sweat that rolled down his face, Robert E. (Our Bob) Reynolds declared here last night that his friends are going to send him back to the United States Senate by a tremendous majority.

To a capacity crowd that jam-packed both court rooms and the corridors of Forsyth county court house, Reynolds talked for an hour and twenty-three minutes and never mentioned the name of his opponent, Frank W. Hancock, Jr. of Oxford.

"I don't love you just because Saturday is coming," the blond, pugilist-built senator said. "I've loved you all my life and will love you whether you vote for me or not."

RAIDS FRANCO'S AVIATION BASE

Barcelona, May 31—A loyalist air squadron tonight raided Generalissimo Francisco Franco's aviation base at Palma de Mallorca in the Balearic Islands, setting fire to three ships, in retaliation for a bombing attack that killed between 350 and 500 persons in the Catalan town of Granollers.

A government communique said the three insurgent ships set ablaze at Palma by loyalist bombs were a part of Franco's Mediterranean blockade fleet.

COURT SLAPS SECRETARY WALLACE

Washington, May 31 — Sweeping aside precedent, the Supreme Court today closed a momentous term by directly and emphatically replying to the criticism of its Kansas City stock yards decision by Secretary of Agriculture Henry A. Wallace and Solicitor-General Robert H. Jackson.

In a stinging 1,500-word opinion denying the government's petition for rehearing, the court reiterated its declaration that Wallace had failed to grant a fair trial before ordering a reduction in rates at the stock yards.

MONEY IS VOTED BY SENATE FOR DIRECT RELIEF

\$50,000,000 Will Be Used for Emergency

IS IN NATURE OF "DOLE"

Vanderburg Proposal That Amount Be Increased Is Rejected

IS PART OF WPA FUND

Washington, May 31. — The Senate voted today to make \$50,000,000 of WPA funds available for direct relief in event of emergency, but rejected a proposal by Senator Vanderburg (R), Mich., that the amount be increased to \$150,000,000.

The emergency cash would be set aside from the proposed WPA appropriation of \$1,425,000,000 provided in the \$3,000,000,000 lending-spending bill.

Direct relief, which consists of outright grants of money and is sometimes called the "dole," differs from the WPA policy of providing relief through jobs. The WPA policy now is to leave the task of direct relief for unemployables to states and other political subdivisions.

Vanderburg said the plight of the larger industrial cities was a "clear indication" that more direct relief would be necessary to supplement the existing system.

Inclusion of even \$50,000,000, Vanderburg said, constituted "recognition that the relief problem may become too large to be handled by work relief alone."

Senator Byrnes (D), S. C., objected to Vanderburg's proposal, saying it would be a departure from WPA policy.

PETITIONERS LACK SUFFICIENT NAMES

Are Given 30 Days in Which to Act; Seek to Form New Town Near Here

HEARING IS IN RALEIGH

The state board of municipal control ruled Monday in a hearing at Raleigh that petitioners seeking the incorporation of a town to be known as North View, just north of Elkin, must file another petition as their request did not have enough names affixed.

The board granted 30 days in which to secure the petition and announced the case would be dismissed if it is not presented.

Proponents of the plan to incorporate the community, headed by Otis J. Reynolds, local attorney, said no taxes would be levied if the town was incorporated. W. M. Allen, Elkin attorney appearing for opponents of the plan, contended the petition did not contain the names of a majority of the property owners and freeholders living in the area.

Attorney-General Harry McMullan is chairman of the control board. Other members are Thad Eure, secretary of state, and Stanley Winborne, utilities commissioner.

GREAT AIR BATTLE WAGED AT HANKOW VICTORY DISPUTED

Over 100 Planes Take Part in Struggle

BOTH SIDES CLAIM WIN

Chinese and Japanese Ground Forces Deadlocked Along Lunghai Railway

REPORT HARD FIGHTING

Shanghai, June 1 (Wednesday) — Both Chinese and Japanese claimed victory today in one of the greatest air battles of the war in which more than 100 planes fought high over Hankow.

A Japanese naval communique declared 30 Japanese planes raided Generalissimo Chiang Kai-Shek's capital and shot down 20 Chinese planes while only one of their own failed to return.

China's aviation headquarters, however, declared 54 Japanese planes attempted to make the raid but were beaten off with a loss of 15 planes. Disputing Japanese reports that the Hankow airfield was heavily bombed, Chinese declared the Japanese were prevented from carrying out the raid.

While Japanese planes struck at Hankow and Canton, ground forces of both armies apparently were deadlocked again in the vicinity of Lanfang, along the Lunghai railroad in central China.

Severe fighting was reported among the mud-walled villages between the Lunghai and the Yellow river with Chinese troops still counter-attacking to break the Japanese drive westward toward Hankow. Chinese pursuit planes, Chiang's air officials said, knew in advance of the approach of Japan's air raiders and hovered hawk-like above Hankow waiting.

ARTHUR C. ROGERS PASSES SUDDENLY

Body of Arlington Man Is Found Shortly After He Had Gone to Milk

LAST RITES YESTERDAY

Arthur Clifton Rogers, 57, died suddenly on Monday evening at his home in Arlington, presumably from an acute heart attack. His lifeless body was discovered about seven-thirty o'clock, only a few minutes after he had left the house to do the evening milking and perform routine outdoor duties.

The milk pail was on the ground beside his body when discovered by a member of the family.

Mr. Rogers had been a valued employee of the Chatham Manufacturing Company for more than ten years and had returned from his daily duties in the spinning department only a few hours before suffering the fatal attack.

He was held in high esteem by his employers and fellow workers and his unexpected passing comes as a shock to numberless friends.

Mr. Rogers was a son of the late James Rogers and Mrs. Matilda Lyons Rogers and was reared in Wilkes county near Elkin.

He is survived by his wife, Mrs. Nettie Isaac Rogers to whom he had been married twenty-five years, four children, Dewey C., Ivy J., Virgie Etta and Roseha Rogers; two brothers, C. F., and Paul Rogers of Elkin; and three sisters, Mrs. Rudolph Foreman, of Elkin, Mrs. Don Luftman of Ronda and Miss Maggie Rogers of Morganton.

The funeral services were conducted Wednesday morning at ten o'clock from Pleasant Hill Baptist church by Rev. Isom Vestal and Rev. Grady Burgess.
