Quite True

The professor had been lecturing the class on poisons, and after discussing various deadly substances, he asked the class to name a few more. At once one student put up his hand.

"Well?" said the professor.

"Aviation, sir."

The professor stared.

"Come, come!" he exclaimed.

"This is no time for hilarity. What did you mean?"

The reply was completely unexpected.

"Why, sir, one drop will kill."
