IF YOU WANT YOUR
NEW HOME WIRED
SAFELY - ECONOMICALLY
And For Greater **CONVENIENCE**
CALL ON US!

By all means demand the best in wiring when you build your
new home. You'll want attractive fixtures and plenty of con-
veniently placed outlets. And you'll want the work done safely
and economically, too, but with highest quality materials. For
that reason we invite you to call on us. You'll find our work
satisfactory in every way.

HARRIS ELECTRIC COMPANY
Electrical Contractors — Elkin, N. C.

Reddy Kilowatt Says:

PLUG IN

*for Convenience
and Economy!*

**Plan Adequate Electrical
Outlets for Your New Home!**

No matter how expensive your home, it's not really modern and up-to-
date unless sufficient electrical outlets are available. Be sure, when
making your plans, that this important part of your home is not overlook-
ed. Electrical outlets, plus Reddy Kilowatt, will free your home of
drudgery and inconvenience. Electricity costs little and does much. Make
it available in plenty!
