## MAGIC KITCHEN IS COMING HERE

Famous World Fair Attraction of General Electric to Be Shown 3 Days

### PLAN COOKING SCHOOL

Jones Holcomb, of Elkin Plumbing & Heating Company, is bringing to Elkin the famous Magic Talking Kitchen which was a feature attraction at the Chicago World's Fair, and is now on display at the San Francisco World's Fair and will be at the New York World's Fair this summer.

The telephone company has made the old post office building on Market street available for the purpose, and Mr. Holcomb expects large numbers of people to see this remarkable electrical presentation of General Electric Company. The kitchen travels in a huge truck, and requires several men almost a day to carry it to the building and set it in operation. It talks, it moves, and as if by magic scenes change to the accompaniment of music and interesting conversation.

The housewives of Elkin and vicinity are invited to attend the cooking school Thursday and Friday afternoon starting at 2:30 p.m. on April 6th, and hear Mrs. Miriam Little, one of the South's leading Home Economists, demonstrate the preparation and cooking of two complete menus, one Thursday afternoon and the other Friday afternoon.

The Magic Kitchen will be shown to the general public Thursday night at 30 minute intervals until nine o'clock, and again Friday night. Starting at 9 o'clock Saturday morning, and throughout the day Saturday until 5 o'clock in the afternoon the Magic Talking Kitchen will be open to the public at 30 minute intervals. Several merchants in Elkin are cooperating with the local General Electric dealer to make it very much worthwhile for all housewives who are interested in modern methods of cooking, and in dietetics, to attend this interesting event.

## KIWANIS CLUB OFFERS THANKS

(Continued from Page One)

ham Manufacturing Company has decided to move its Winston-Salem plant to Elkin. And that whereas the President of Chatham Manufacturing Company, Thurmond Chatham, stated Monday to the Mayor and Board of Commissioners of the Town of Elkin that he did not seek or ask any concession, special favor, or privileges from the Town of Elkin because of the removal of its entire plant to Elkin, but did request and express the hope that the same conservative form of government practiced for the last several years would continue, and that no extravagant expenditures would be made on the part of the Town so that the taxes would remain reasonable and, if possible, reduced. That he had always appreciated the spirit of cooperation enjoyed by the Chatham Manufacturing Company given by the citizens of Elkin, and that this was the main factor in their determination to remove their plant to Elkin.

And that whereas the hearts of the citizens of Elkin have been made to swell with gladness because of the decision of the Chatham Manufacturing Company to move its entire plant to Elkin, and that the Kiwanis Club in Elkin hereby instructs and authorizes the Public Affairs Committee to extend on behalf of the Kiwanis Club its sincere appreciation to the Chatham Manufacturing Company for the removal of its plant to Elkin, and to pledge the loyalty and cooperation of its members to the Chatham Manufacturing Company in all of its undertakings in recognition of its policies of fairness, honesty and integrity.

This the 23rd day of March, 1939.  
PUBLIC AFFAIRS COMMITTEE, ELKIN KIWANIS CLUB  
W. M. ALLEN  
J. R. POINDEXTER  
H. P. GRAHAM  
F. M. NORMAN

The following letter, addressed to W. M. Allen, of the committee, was received from Mr. Chatham following his receipt of the resolution:  
"On behalf of our entire organization at Winston, I want to thank you and the Kiwanis Club for the resolution which you sent to us under date of March 23rd. Will you please express our appreciation to Club and to Messrs. Poindexter, Graham and Norman.  
"I was perfectly sincere when I told you that one of the main factors that is bringing us back to Elkin is the fine cooperation we

## CORRECTION

Due to an error in listing the price of General Electric refrigerators in an Elkin Plumbing and Heating Company advertisement carried in The Tribune of March 16, the new G-E "Thrifty Six" refrigerator was listed at \$123.50, when it should have been \$154.50. The price, \$123.50, is the figure that General Electric refrigerators begin at, and does not apply to the "Thrifty Six" model, as was advertised.

have always received from the town at large. You know and I know that there is a lot of sentiment in business and certainly the good will that we have always enjoyed among the people of Elkin is one of our most valuable assets. I can assure you that everyone that comes up there will try to make a good citizen, and I think you will agree with me, when you have known them better, that our organization here is comprised of the same type of high class people that we have in our Elkin plant.

"Looking forward to seeing a great deal more of you and your associates in the future, I am,  
Yours sincerely,  
THURMOND CHATEAM"

## DANCE REVUE IS LYRIC FEATURE

Billie Clower Group to Appear Here Friday Night from Winston-Salem

### BIG PICTURE MONDAY

The Lyric theatre will present an entertaining stage program Friday night in the form of the Billie Clower Dance Revue, of Winston-Salem, which will be in addition to the movie "The Last Warning," featuring Preston Foster and Frank Jenks.

The Dance Revue, which will include toe, tap and acrobatic dancing by a group of talented dancers, is expected to be very entertaining. A part of the same group recently entertained the Elkin Kiwanis club and made an outstanding hit.

Clower himself is an outstanding dancer, having appeared on Major Bowes' amateur hour and later with one of his traveling units.

Another good show to which the Lyric directs particular attention is the movie to be shown next Monday and Tuesday, "Men With Wings." This thrilling cavalcade of American aviation, is in technicolor, and features Fred MacMurray, Ray Milland, Louise Campbell and Andy Devine.

## Madrid Is Taken; Spanish War Ends

(Continued from page one)

Minister Segismundo Casado, and all republican leaders except Foreign Minister Julian Besteiro fled the city.

Thousands of Madrid's "fifth column"—secret Franco sympathizers—swarmed into the streets then and began taking over public utilities, communications and other vital centers.

Nationalist authorities followed the troops into the capital. They immediately assumed control of the municipal administration. One of their first acts was to free 18,000 political prisoners and nationalist sympathizers held in Madrid prisons.

As the troops entered, jubilant crowds thronged the streets. They gave the nationalist salute and shouted, "arriba Espana!" Nationalist flags were flown everywhere.
