LOCAL MERCHANT WINS AWARD FOR YEARS OF SELLING

With It Receives Letter of Appreciation from Good-year President

In recognition of 10 years of pleasant dealings with the Good-year Tire & Rubber Company, A. O. Bryan, local dealer for the big rubber company, has just received a very attractive plaque, which now hangs in a conspicuous place in the dealer's office.

Accompanying the plaque was a personal letter from P. W. Litchfield, president of Good-year, expressing the company's appreciation of the loyalty maintained by the dealer through the years, along with the hope that the pleasant relations may continue indefinitely.

Naturally, the local representative of Goodyear feels very proud of the plaque and the letter. The plaque is a work of art, done in bronze, with the name of the dealer and that of Goodyear appearing in raised letters on the lower portion, while in the background are portrayed various modes of transportation—automobile, bus, truck, railway, train, steamship, airplane and airship.

In the center foreground of the plaque are shown the main plant of the Goodyear Tire & Rubber Company and the huge Goodyear-Zeppelin Airship Dock, the latter being the largest building in the world without interior supports. There also appears in an attractive arrangement a Goodyear All-Weather Tread tire encircling the Goodyear house flag.

The guest list included: Mr. and Mrs. Gilbert Meed, Mr. and Mrs. Dick Evans, Mr. and Mrs. Jake Jones, Mr. and Mrs. Jimmy Campbell and Mr. and Mrs. Ted Brown.

A beautifully appointed salad course was served at the conclusion of the play.
