A DOLLAR SPENT OUT OF TOWN IS A DOLLAR GONE FOREVER! TRADE AT HOME!

When you go out of town to shop you not only are hurting your own hometown merchants, but you are indirectly hurting yourself. A dollar spent in another town goes to help that town, not your own. It helps pay that town's wages, its taxes, its debts.

A dollar spent here stays here. In benefiting your local merchant, it benefits your town, which means that it benefits you. Why spend out of town? Buy at home. Elkin stores can give you variety and just as big values as you can find elsewhere.
