

WATER SYSTEM FIGURES GIVEN

Cost of Adequate Water and Sewer System for Jonesville About \$140,000

DETAILS ARE GIVEN

Facts relative to the proposed water and sewer system for the town of Jonesville, have been announced by Mayor Z. B. Martin, of that city.

According to figures announced, the total cost of the entire project, including water and sewer system, will amount to \$140,213.42, of which the federal contribution, including labor and cash, will amount to \$91,199.90, leaving Jonesville \$49,013.52 to pay.

It is contemplated, Mayor Martin has announced, that the federal government will purchase bonds of the Town of Jonesville in the sum of \$50,000, bearing interest at the rate of 4 per cent, payable in 30 annual installments.

It is also pointed out that by providing an adequate water system for fire protection, the people of Jonesville can realize a reduction of approximately 15 per cent in the fire insurance rates, which will mean a savings of some \$3,000 yearly.

MOUNTAIN PARK

Better Homes Week is being observed this year from April 28 through May 4. Mrs. Folger Cockerham, home improvement leader, and Mrs. Allan Kinzie, chairman of Better Homes Week, are sponsoring a Home Improvement and Home Beautification contest in the Mountain Park club which will close on April 30. The contest is open to anyone residing in the radius of the Mountain Park club.

Entrance into the contest does not necessarily mean a lot of money will have to be spent, as in addition to things bought for the home, things made for the home are included, also the re-arrangement of furniture, repairing the home inside and out, general housecleaning, removing outside rubbish and planting native shrubs and flowers.

A number of useful and beautiful prizes have been donated by Elkin business firms and these will be awarded winners in the contest. Anyone desiring to enter is asked to notify either Mrs. Allan Kinzie or Mrs. Folger Cockerham before April 4, which is the closing date for entrants. If you do not plan to enter encourage your neighbor to enter and make this a worthwhile community project and points will be given for aiding your neighbors in the contest.
