UNCLE NATCHEL Says:

SHO' IT'S GOOD, SONNY, LIKE EVERYTHING MOTHER NATURE MAKES

THAT'S Uncle Natchel's philosophy... if Mother Nature made it, it's good.

Chilean Soda is good because it's "Natchel"—the only natural nitrate in the world. It's good for all crops, before planting or after. It's particularly profitable for sidedressing and topdressing. It acts

quickly, picks the crop up and pushes it ahead to early maturity.

Sidedress — topdress — with natural Chilean Nitrate. It gives your crops plenty of quick-acting nitrate, and a natural balance of many other protective plant food elements.
