### Yadkin County Schoolmasters Meet

On Wednesday evening, April 24, the Schoolmasters of Yadkin county held their annual get-together meeting at the Jonesville school, having as their guests all teachers of the county, their wives, husbands, or special friends, and all officials of the various county school systems.

Parents and teachers of the Jonesville school prepared and served a picnic supper to approximately two hundred guests.

The program was directed by L. H. Todd, president of the Yadkin County Schoolmasters club. Various reports were made, telling of the work accomplished by the different county organizations.

Mrs. Ruth Vick Everette, field secretary of the North Carolina Education association, made an address, her topic being, "The Progress and Trends in North Carolina Education." She stressed the fact that a school cannot be operated successfully by the teachers alone, and urged that all parents give the school their whole-hearted support.

### Yadkin County Recitation Contest Closes

The Yadkin county recitation and declamation contest came to a close Friday night, April 26. Jonesville excelled all other schools in the county in the number of cups won. Miss Betty Price won in the primary girls division. Master Jimmie Irvin was winner

in the primary boys division. Both children are members of the third grade.

James Taylor, a member of the eighth grade, deserves special recognition. He was victorious in the semi-finals and represented our school in the finals at Boonville.

Other winners in the county are as follows: Olivia Martin, of East Bend, in the grammar grade girls division; Wade Hobson, of Boonville, in the grammar grade boys division; Marie Long, of Yadkinville, in the high school girls division, and Billy Wood, of West Yadkin, in the high school boys division.

Trophies were awarded at the commencement exercises Tuesday evening.

The success of the Jonesville entrants was due to the untiring efforts of Miss Beulah Fleming, member of the faculty, who trained all the local contestants.

# To the Voters of Surry County

Having supported President Roosevelt in the past two elections, I am definitely in favor of the renomination and election for this Great American as I believe he should be continued in office for another term under the conditions now existing and will support a resolution to that effect at the Surry County Democratic Convention next Saturday.

I favor the Retirement Fund for the teachers of North Carolina and adequate school facilities in Surry County.

Also in fairness to the western part of North Carolina I am in favor of re-apportionment of representation on the basis of the 1940 census.

These are a few of the policies I believe to be fair and right and that they meet the approval of the people of Surry County.

ODOR

## SNAPSHOT OF A CAKE OF ICE CHASING AN ODOR

Odors haven't a chance in a modern air-conditioned ICE refrigerator—even when they are the strong and bold type like those from melons or cheese! Practically the moment they are born, they are whisked up into contact with the film of water which always forms on melting ice. And before you can say "Jack Robinson", the odor-tainted air is washed spic and span and sent on its circulating way!

Food odors are the common cause of flavor taints. But the modern ice refrigerator guards against them—just as it guards against the rapid drying out of foods.

The amazing 1940 ice refrigerators have many other advantages—including the fact that they cost only a third to a half as much as other types. Get all the facts. Talk to one of our Service Men or visit our showrooms. Ask about our easy terms and free trial offer.
