TO THE VOTERS OF SURRY COUNTY

I wish to announce that I will be a candidate in the coming Democratic Primary on May 25th for the position of Representative in the General Assembly. All my life it has been my pleasure to work for the success of the party. If I am elected to this position I shall make an effort to enact

such legislation as will return to the people the offices of Judge of the Recorder's Court and that of Tax Supervisor. For many years these offices have been held by appointment of the Governor. Our people should have enough judgment as to the qualifications for these offices to be entrusted with a vote to fill them. It shall also be my purpose to represent the whole of Surry County and no particular family or association of families and my vote on any measure will be for the best interest of the people.
