the program which centers around the topic "Be Ye Steadfast."

Mrs. D. H. Craver, of Booneville, is associational superintendent.

Mrs. E. C. James, of this city, and her guest, Mrs. W. D. Briggs, of Raleigh, will attend the meeting and both Mrs. James and Mrs. Briggs are speakers on the program.

The association extends a cordial invitation to all churches to have representatives present.

EXPRESS REGRET IN BAPTIST RESOLUTION

Whereas, our beloved Pastor, Reverend Eph Whisenhunt, has heeded the call of the Holy Spirit and has moved to other fields of Christian Service, and

Whereas, our church has grown in number and in unity under the leadership of our Pastor; our Pastor was called to a church burdened with a heavy debt; he came to a church having no sound financial policy; he goes to other fields leaving a church with its building debt paid in full, a sound financial policy in force and a united membership forty per cent. greater in number than when he came to this field.

Now, Therefore, Be It Resolved by the First Baptist Church of Elkin, North Carolina, through its duly constituted Resolution Committee, that the going of our Pas-

tor means a loss for our town, our church, our community and association and our State; that his acceptance of the field of labor at Norton, Va., is their gain. Our prayers and good wishes go with him and with his companion and little daughter and we bespeak for him in his new field the continued guidance of the Holy Spirit in all that our Pastor undertakes to do in His name.

This the 16th day of May, 1940.

SHIPMENT OF COWS GO TO THE BAHAMAS

A total of 41 cows and three calves were shipped Saturday from Yadkin county to the Bahama Islands for a herd there. The most of the cattle were pure-bred Guernseys. Dr. John S. Whitfield, of the islands, was here to buy the cattle and was assisted by Dick and Charles Bray, of Yadkin county, in making the purchases. Dr. Whitfield was accompanied on his return by Charles Bray, who expects to be away about two weeks.

According to information an average of \$70 was paid for the cattle, with the highest price for any one animal being \$250.

Other cattle were bought in various parts of the state for the shipment, which was expected to equal three car loads when completed.
