WEED QUOTAS AFFECT PRICE

If Control Is Approved, Tobacco Should Average 15 **Cents Per Pound**

If marketing quotas are approved for the tobacco crop, this year's crop telling how low prices would have should bring about 15 cents per gone. pound; if quotas are rejected in the referendum to be held July not make loans or give other fi-20, tobacco may average as low nancial support to the tobacco as 5 cents per pound this year.

farm leaders, made at a confer-ence of growers bankers, ware-crop of 1,160 million pounds ence of growers, bankers, warehousemen and merchants held in Raleigh. J. B. Hutson, assistant administrator of the Agricultural Adjustment Administration and the best informed man on tobacare approved on a three-year basis, the Federal government can almost promise that prices this year will be maintained at a 15 to 16-cent level.

Dr. I. O. Schaub, director of the State College Extension Service, said that without quotas,

You wouldn't expect your car to run months without oil or serv-ice of any kind . . . Actually your watch "runs" under greater your watch "runs" under greater strain, proportionately, than your auto... Don't be unfair to your timepiece! ... An inspection may disclose some minor "ill" that prevents accuracy ... No charge for expert inspection and estimate... Bring in your watch NOW - and while you are here, let us show you our splich new Gruen Watches.

DAY AND NIGHT

Hundreds of thousands of buyers agree that the big. value for '40 is CHEVROLET; and they insist that it tops all other cars, regardless of price!

These people ask, "WHY PAY MORE than Chevrolet's low prices, when Chevrolet provides all the necessities and most of the luxuries of modern motòr-ing?" And then they ask, WHY ACCEPT LESS than Chevrolet's outstanding dollar value, when Chevrolet offers so many advantages of higher priced cars at tremendous savings in purchase price, gas, oil and upkeep?"

Be wise! . . . Buy as America is buying! . . . Buy Chevrolet!
