The task of grading the right-of-way for the new western approach to Elkin of route 268, is showing fast progress as huge scoops, capable of moving 12 yards of dirt at a load, bite into the hills. Top photo, made on the new roadway, facing west toward the intersection of 268 with the Traphill road, shows the work of grading in progress. Bottom photo is view of bridge being constructed across Big Elkin creek near the old shoe factory.—(Tribune Photos.)
