

### Dobson Class of 1927 Holds First Reunion

Members of the class of 1927 of the Dobson high school met for a banquet reunion at the Kenlin hotel. It was the first gathering of the class since their graduation 13 years ago. The class members in attendance were: Bausie Marlon, of Dobson; Broadus Jarvis, of Mt. Airy; Joseph Boyles, of Columbus, Ohio; Luther Baker, of Elkin; James Martin, of Rockford; Edward Allen, of Mt. ### HORSE SHOW TO BE HELD SEPT. 13

(Continued from Page One)

Baker, who did an able job of staging this event last year, and inquiries should be addressed to him, as chairman of the committee, at the F-W Chevrolet Co.

The annual Dog Show will be held under the direction of Dr. C. E. Nicks, who staged the excellent show of last year's fair. The event will be held at the fair grounds Thursday morning, September 12, starting promptly at 10 o'clock. Each owner will be responsible for his or her dogs.

Friday and Friday night will be observed as Children's Day at the fair, with all school children being admitted free to the grounds.

A series of contests open to boys and girls have been arranged under the direction of Rev. Herman F. Duncan, pastor of the Elkin Methodist church. These contests include a freckles contest, marble tournament, egg contest, horse shoe tournament and archery tournament. Prizes will be awarded. Contestants must be between the ages of 10 and 15 years.

Tuesday, 3:30 to 5:00 p. m., will see the freckles contests and the marble tournament. A prize of 50 cents will be awarded to the boy having the most freckles, and a similar prize will go to the girl having the most freckles.

Wednesday, 3:30 to 5:00 p. m., the boy or girl who brings the biggest egg for display will be given an award of \$1.00. The egg must be a natural egg, such as hen egg, duck, goose, ostrich, etc. The same afternoon a horse shoe tournament will be staged which will be open to both boys and girls, with 50 cents as prizes going to the two best partners and \$1.00 to the champion.

Thursday, 3:30 to 5:00 p. m., the archery contest will take place. The boy and girl making the highest score will be awarded prizes of \$1.00 each.

Mr. Duncan will be in full charge of these contests and will act as referee. Every boy and girl within the age limits who are interested in having lots of fun and also winning a cash prize, should get in touch right away with Mr. Duncan and enter the various contests.

The contest to choose a young lady as Miss Elkin Fair, the winner to be awarded a beautiful diamond ring valued at \$100, has been called off due to lack of interest on the part of the girls who might have entered, it has been announced.

A new feature of the fair this year will be the awarding of an attendance prize on the last night of the fair. This prize, a 1941 model RCA Victor radio, valued at \$120.00, will go to some person who attends the fair. The radio is being donated by the Harris Electric Co., local dealers, in cooperation with the fair, and will be on display at the exhibition building all next week.

The midway this year will feature riding devices and numerous concessions and other places of amusement. Fireworks will be a nightly feature.

Those planning to enter exhibits are urged to enter them Monday so that everything may be in readiness when the fair opens Tuesday. For information concerning the fair, exhibitors should get in touch with Mrs. Alan Browning, Jr., secretary, at her office in The Tribune building.

### Hundreds Attend Annual Meeting Of Adams Clan

One of the largest crowds ever to attend the annual reunion of the Adams family was present at Union Cross Friends church Sunday, when the descendants of the late Daniel Adams and his wife Fatima Adams, and members of other Adams families gathered to renew the family ties and enjoy an excellent dinner which was spread in the grove around the church, long a religious shrine of the Adams race.

At 11 o'clock Rev. Mrs. E. G. Key delivered her regular monthly message to a large house. This was followed by an address by Attorney J. T. Reece, of Yadkinville, whose message and comments received many favorable comments from his hearers. Preceding the dinner Rev. Talmadge Knight, of Chapel Hill, pastor of Mt. Carmel Friends church, spoke briefly and blessed the table.

A special music program was rendered in the afternoon which was featured by a quartette of small girls from Harmony Grove including Martha Pearl Mackie, Pattie Sue Cass, Edith Mackie and Mary Gray Warden. Their fine singing evoked much favorable talk. Short talks were made by Rev. Wade H. Adams, Rev. E. G. Key and others.

In a business session in the afternoon Mr. W. A. Carter was named president of the Adams Family Association and W. E. Rutledge was elected chairman of the committee on arrangements.

### Late News from the State and Nation

(Continued from page one)

long-vaunted "secret weapon" to conquer the British Isles.

LONDON, Sept. 4.—German planes, attempting to follow up a ferocious pre-dawn attack on a northwest England town with a new raid on London, were repulsed in disorder today in a dramatic battle with British fighter planes high over the southeast coast. A big force of raiding planes came over the coast hardly visible in a light haze. As they came in from the sun, a squadron of British fighter planes dived down from the sky and there was a dramatic battle at 15,000 feet. Two of the raiding planes crashed within a few minutes and the remainder, scattering, streaked for France, routed.

### ATTEND MEETING OF 31st MASONIC DISTRICT

Members of the Masonic fraternity of Surry county, including the chapters at Elkin, Mount Airy, Copeland, Round Peak, Ararat and Pilot Mountain, attended a meeting of the thirty-first district held at the Pilot Mountain school auditorium Wednesday evening.

Grand Master Thomas J. Harkins, of Asheville, delivered the address of the evening. Following his talk moving pictures of Oxford Orphanage at Oxford and the Eastern Star Home at Greensboro were shown.

### ONE MONTH LEFT TO ORDER LIMESTONE

There is only another month left for farmers in Surry county to order ground limestone for credit through the 1940 Agricultural Conservation program. October 31, 1940, is the closing date for practices to be accepted, and applying ground limestone is one practice.

Farmers are urged to apply at once for ground limestone as a

grant-of-aid. If they wait too late it will be almost impossible to get the lime hauled and spread before October 31, 1940, which is the dead line. It is very likely that no orders for ground limestone can be accepted after October 1, 1940. Orders are being taken at the county agent's office in Dobson.

Each 1,500 pounds of ground limestone spread counts one unit toward meeting the soil-building goal. Each ton of lime received

as a grant-of-aid takes \$2.00 out of the 1940 payment, and the farmer pays the hauler an additional 50c. per ton when the lime is delivered. This makes one ton of lime cost the farmer \$2.50.

### REV. GRADY BURGESS AIDING IN REVIVAL

Rev. L. Grady Burgess, of Greensboro, former pastor of the Arlington Baptist church, is assisting the pastor, Rev. T. S.

Draughn, in a revival meeting at the church this week. Two services are being held daily, at 11 a.m. and 7:30 p.m.

On Friday evening the Wray sisters of Greensboro, a quartette from the Magnolia Street Baptist church, where Rev. Burgess is pastor, will render special music.

A cordial invitation is extended the public to attend.
