"I Am Always Ready to Take Your Orders"

Says Reddy Kilowatt

"I don't get tired or sick and I am ALWAYS on the job. When you call me by pressing a button or throwing a switch I am right there instantly, ready to perform any size job you may desire. I never have a vacation, Thursday afternoons off - never late to work. I am there 24 hours of the day and every day in the year.

"And the most pleasant part of all is that I work so cheaply . . . and the bigger the job the less proportionately you pay me for doing it. Let me really start to work in your home today."
