## WEED PRICES ARE HIGHER

Middle Belt Shows Higher Figure on Opening Day Than in 1939

### GROWERS SATISFIED

Raleigh, Sept. 17 — Average prices were "considerably higher" on the middle flue-cured tobacco belt today—opening day—than on last year's first day, the U. S. agricultural marketing service and the state department of agriculture reported tonight.

Increases were from \$2.75 to \$7.50 a hundred, the agencies said, with greatest gains occurring in fair to fine qualities of lugs and primings and low quality leaf.

The bulk of sales ranged from \$12 to \$27, it was said, though prices ranging from \$28 to \$32 were "fairly numerous."

"Growers were satisfied and rejections were negligible," the report stated. "The offerings contained less of the common and low quality grades of leaf than opening day last year and were considered of better quality. The tobacco sold consisted principally of low to fair quality primings and fair to fine lugs. Primings composed about 60 per cent of the sale. A fair volume of common to fair quality leaf was also offered. Sales were heavy in volume with some markets blocking."

### ELKIN'S FAIR COMES TO END

which was held during the afternoon. A feature of the parade was a 20-piece band, under the direction of Alvin H. Dickman, members of which were advanced band pupils from various schools of this section, including Elkin, Yadkinville and Walnut Cove.

Judging of farm animals was conducted at the fair grounds, while the saddle horse show was held on a new track recently laid out on the W. A. Neaves property located northeast of the fair grounds on the east side of Big Elkin creek.

Winners in the horse show were as follows: Best single mare, Gaither Felts, Elkin, 1st prize; Noah Gross, Cycle, 2nd prize. Best single mules: Glenn Vestal, Cycle, 1st prize; Worth Brown, Jonesville, 2nd prize. Best team of horses: Johnnie Weatherman, State Road, 1st prize. Best team of mares: Carl Ray, Boonville, 1st prize; Fred Evans, Jonesville, 2nd prize. In the commercial class, Errol Hayes of Elkin, 1st prize. Best team of mules: Paul Moxley, Boonville, 1st prize; Gaither Vanhoy, State Road, 2nd prize. In the commercial class, Thurmond Chatham won 1st prize and John Hudspeth 2nd prize.

For the best horsemanship, prizes were as follows: Shug Haywood, 1st; Chuck Haywood, 2nd; Tommy Chatham, 3rd, and Peyton Smith, 4th.

In the saddle horse class, Dick Freeman won 1st prize and John Hudspeth 2nd prize for the best five-gaited horses. For the best three-gaited horse, first prize went to W. O. Buie, and second prize to Luther Baker. For the best plantation horse, John Hudspeth took 1st prize and Luther Baker second prize.

J. D. Ray won first prize for the best pony.

The horse show was staged under the direction of L. G. Baker, who was assisted by Bub Price, Claude Farrell and McKinley Dickerson.

In the live-at-home department, J. R. Martin, of Rockford, was winner of first prize. Other winners were Walter Brown, Traphill, 2nd prize; Robert Byrd, Roaring River, 3rd prize; Mrs. Elmer Cockerham, route 1, Elkin, 4th prize; and Mrs. Banner Tilley, Benham, 5th prize.

In the dog show, staged Thursday morning under the direction of Dr. C. E. Nicks, who was ably assisted by Dr. M. A. Royall, James Shore, of Boonville, and others, the following dog owners saw their animals win prizes: Thurmond Chatham, Franklin Folger, Austin Kearns, Dick Chatham, Jack Sprinkle, Joe Myers, J. Harold Click, Albert Casstevens and Mrs. McCormick. Mrs. Alan Browning, Jr., secretary of the fair, stated that she wished to thank everyone who assisted in making the event a success, including the Elkin police and deputies who did an excellent job of keeping order. Thanks were also expressed to the General Electric & Telephone Company for their courtesy in installing a telephone free of charge in the exhibition building, and to all others who aided in any way.

The Elkin Boy Scouts, who parked automobiles each night of the fair, did an excellent job, Mrs. Browning said, and deserve

high praise for their efficiency and courtesy.

She also pointed out that due to an oversight when the fair catalog was being printed, the donation of a permanent wave by the Dainty Lady Beauty Shoppe was omitted from the list of advertisers and contributors. The error is regretted, Mrs. Browning said.

### NEW PLYMOUTH IS NOW ON DISPLAY

The new Plymouth for 1941 is now on display at the showroom of Yadkin Auto Sales.

Described as a "glamour car" from stem to stern, with numerous engineering advancements that contribute to new performance,

impressive new luxury and driving ease, the car's nimbleness in traffic is achieved by new "high torque" engine performance, stepped up in power and torque.

Driving effort is greatly reduced by new powermatic shifting and a new "get-away" gear in second speed that cuts down driving motions.

Although only one car is now on display, smart new 2-tone body colors are available on some models. The public is invited to see the new car now.

### EXECUTIVE COMMITTEE OF W. M. U. IS TO MEET

The superintendent, Mrs. D. H. Craver, is anxious that all members be present for this important meeting.
