Heart's Desire

Can Be Found Among the SMART, GLAMOROUS GIFTS IN OUR LOCAL STORES

In Elkin's stores—more heavily stocked than ever before—there is an answer to every gift problem!

No one who hasn't shopped through the stores of Elkin can possibly know the great variety of gift items bought especially for the Yule season. Take toys, for instance. Virtually every new toy you have read about in the papers and magazines can be found displayed in Elkin. We don't believe you will find more different kinds of dolls in any city in the state. The buyers who bought these toys saw all the toys... they know what they have... what CAN be had.

The same is true of other types of gifts. Frequently, during the Christmas season, one hears things like, "Oh, I bought this in _____, and I could have got it here (in Elkin) for a dollar less!"

Do your Christmas shopping in Elkin! Not only because Elkin's prosperity is YOUR prosperity, but because you can find just as good variety, and BETTER VALUES in Elkin. If you must shop elsewhere, DON'T MISTAKE QUANTITY FOR VARIETY; and DON'T MISTAKE INFERIOR QUALITY FOR LOW PRICES!

To get your choice of the best—shop early! And help yourself and your community by shopping in Elkin.
