SALVAGE SCRAP PAPER IS VITAL WPB ANNOUNCES

Advises City Officials of Need For Reuse

JAYCEES TO COOPERATE

Will Make Collections On Monday and Thursday Of Each Week

ALL KINDS ARE SOUGHT

The War Production Board has advised city officials of Elkin that it is vitally urgent and necessary that all scrap paper ordinarily thrown away or destroyed, be collected and reused, stating that unless this is done merchants will face a severe shortage of wrapping paper, bags and boxes.

Heretofore all paper of this kind collected by the city garbage trucks has been burned at the city dump, but hereafter the Elkin Junior Chamber of Commerce, acting in conjunction with the city trash department, will make collection of this paper, it was announced Monday afternoon.

In order to make the salvage job a success, it was pointed out that all types of scrap paper, tissues, circulars, office letters and corrugated boxes can be used. In order to aid in handling it, it is necessary that paper be placed in corrugated boxes or bundled and tied with strong cord.

Empty corrugated boxes should be mashed flat and tied with cord. It is also necessary that sweepings and trash be kept separate from scrap paper. This type of trash will be collected as usual by the trash department.

The Jaycees will make collections twice each week on Monday and Thursday afternoons from 3:00 to 6:00 o'clock. Everyone interested in the war effort is urged to save all scrap paper and boxes for salvage.

The Question Is, Should A Plane Be Chartered?

A problem of considerable dimension has arisen at the Elkin postoffice following the posting of a letter with a Trap-hill address, bearing an eight cent air mail stamp.

At the present time there is no air mail service from Elkin to Trap-hill, however, inasmuch as the letter has the required amount of postage attached, some are of the opinion that a plane should be chartered to fly the letter to its destination.

Postmaster F. W. Graham could not be reached for comment Wednesday afternoon, but it is believed he favors sending the letter through usual channels.

Pinnix, said to be the owner of the car, suffered an injured arm in the wreck. He was also alleged to have been drinking. Pardue ran from the scene and was not arrested until Sunday morning.
