

## YADKIN COUNTY X-RAY SURVEY BEGINS TODAY

Davie-Stokes-Yadkin Health  
Department In Charge

### CIVIC GROUPS HELPING

House-to-house canvassing  
Included In Attempt To Ex-  
amine Every Person

### LIST SEVERAL LEADERS

A mass x-ray survey will begin in Yadkin County today (Thursday) and will continue through November 15, it was announced today by Carl E. Shell, acting administrator of the Davie-Stokes-Yadkin District Health Department.

Mr. Shell said that various civic groups of Yadkin County will aid in making the survey, contacting as many residents as possible to encourage x-ray examinations.

The Jonesville P.-T.A. will provide hostesses for the Jonesville-Arlington area. Mrs. Luther S. Long, president, will conduct house-to-house canvassing by members of the newly-organized Girl Scout troop under the direction of Mrs. D. C. Dickson, Scout leader.

Ivry Johnson and the Jonesville Lions Club will place posters and street banners.

X-ray examinations will be conducted in Arlington November 8, and in Jonesville November 10-12 and 15.

Miss Lula Belle Highsmith, health educator with the Division of Tuberculosis Control of the State Board of Health, and Mrs. Mildred O. Page, health educator with the division who works with the colored population, have been in Yadkin County for several days helping with the survey.

In Boonville, the responsibility for surveying will be shared by several organizations. Mrs. Ralph Walker, president of the Home Demonstration Club, and Harvey Gentry, master of the Boonville Grange, will make plans for house-to-house visiting in East Bend and the surrounding area.

In Yadkinville the Woman's Club and the Home Demonstration Club, under the direction of their presidents, Mrs. Hurley Hinshaw and Mrs. Bill Moxley will work jointly on house-to-house visiting and on providing hostesses for the time when the unit is operating on the Court House square.

The Eastern Star, with Mrs. A. E. Hall as president, will help in the preparation of the complete x-ray schedule which will be mailed to all post office, rural and star route box-holders in the county.

Places where X-ray examinations will be held were published in last week's Tribune.

## Youth Choir Practice To Start November 5

A youth choir, consisting of young people of Elkin and surrounding communities of 13 to 23 years of age, will hold their first rehearsal Saturday night, Nov. 5, at the First Baptist Church.

Miss Mildred Freeman, who will direct the choir, said yesterday that the group is being formed primarily to present a program of Christmas music and will rehearse each Saturday evening of November. She expects approximately 100 young people to participate in the program.

Miss Cathy Leeper will be organizer.

## Girl Scout Week To Open Monday

Elkin Girl Scouts will join with other girls all over the nation in celebrating National Girl Scout Week, October 31-November 5.

Girl Scout Troops from Elkin and Jonesville will begin the week by attending the 11 o'clock worship service at the Presbyterian Church Sunday.

Many activities have been planned for the coming week. Each year Girl Scout Week is observed during the week of the birthday of the founder of Girl Scouting, Mrs. Juliette Lowe.

## Woodmen To Hold Fish Fry Tonight

A fish fry will be held tonight (Thursday) for members of the Woodmen of the World Post 105, Ralph Huffstickler, publicity chairman, announced today.

All WOV members have been invited. The supper will be held at the Motorcycle picnic grounds at 7 o'clock. It will not be held in the event of rain.

**THEY JUST HAPPENED TO DROP IN** — No, there was no family reunion scheduled nor was any special company expected at the home of Mrs. Ella Settle, of Benham, Sunday, October 16, but before the day was over Mrs. Settle's seven children, with their respective wives and husbands, had gathered at the old home place, as the photo above shows. Mrs. Settle is pictured in the center, seated, flanked by her children and in-laws. The children are: Mrs. Paul Holbrook, North Wilkesboro; Mrs. E. T. Durham, of Newell, W. Va.; Virgil Settle, Benham; Mrs. W. E. Pardue, Forest Hill, Md.; C. M. Settle, New Orleans, La.; Mrs. Richard Heidel, Liverpool, Ohio, and C. B. Settle, Benham.

## ALLEN TAPPED FOR NEW POST

Brother of Mrs. Robert Tuttle  
May Be Named Ambassador  
To Yugoslavia

### IS COLD WAR EXPERT

George V. Allen, brother of Mrs. Robert Tuttle who resided in Elkin during her husband's four-year pastorate at the Elkin Methodist Church, is being considered to handle one of the United States' toughest assignments.

Informed quarters in Washington said this week that the government is planning to send the Assistant Secretary of State Allen to watch out for American interests in the struggle between the Kremlin and Marshal Tito.

Mr. Allen, who is director of America's world propaganda campaign against communism, has been tapped as the next Ambassador to Yugoslavia. He will succeed Ambassador Cavendish W. Cannon, who is returning to the United States because of ill health.

Allen was on the diplomatic firing line when the cold war started. He was Ambassador to Iran in 1946, when the Soviet Union launched a pressure campaign against that country in an effort to force it into Moscow's orbit, and realize an old Russian dream of access to the Indian Ocean.

Prompt and vigorous American support in the United Nations and elsewhere—for which Allen largely was responsible—contributed greatly to the successful Iranian resistance.

Largely in recognition of his work in Iran, Allen was made Assistant Secretary of State in 1948.

## ROAD PROGRAM IS TO BEGIN

Rural Road Work To Be  
Pushed Immediately To Get  
Ahead of Bad Weather

### TEER SUIT IS DISMISSED

Raleigh — Work on the \$200,000,000 rural roads program "will be carried out as rapidly as possible in order to get ahead of approaching winter weather, Highway Commissioner Chairman Henry W. Jordan said this week.

Jordan's statement followed by two days the dismissal of a suit against the commission by Nello L. Teer of Durham, a road building contractor.

In the suit, Teer sought a restraining order to prevent the commission from using proceeds of the \$200,000,000 road bond fund for anything except paving of roads.

Jordan's statement also came after he had conferred with Attorney General Harry McMullan, who was in charge of defending the commission in the suit, and with officials of the budget bureau.

Jordan said he had been advised by State Treasurer Brandon Hodges and D. S. Coltrane, assistant director of the budget, that proceeds of the sale of the first \$50,000,000 in bonds for the \$200,000,000 program have been received and are now available for allotment by the budget bureau and expenditure by the highway commission.

"In accordance with the plans heretofore adopted for the expenditure of the first part of these funds the program will be carried out as rapidly as possible in order to get ahead of approaching winter weather," Jordan said.

## Agriculture Teacher Group Elects Davis

James H. Davis of Flat Rock High School has been elected president, and Jim Dan Hemmings of Mountain Park High School, has been named secretary of the Surry Agriculture Teachers group.

Plans for next year's community fairs were discussed at the last meeting. The group intends to sponsor several community fairs for 1950.

Also, plans for F.P.A. participation in a strawberry planting program sponsored by the Mount Airy Kiwanis Club were discussed. Each agriculture department will supervise and assist the F.P.A. members in their individual planting programs.

## Miss Haynes Added To Welfare Staff

Miss Mary Josephine Haynes, of Mount Airy, has begun duties as case worker with the Surry County Welfare Department at Dobson. She succeeds Mrs. Ophus M. Fulcher, who resigned earlier because of a change in residence.

Miss Haynes is a graduate of Blue Mountain College in Mississippi. She received an M. A. degree from the University of North Carolina last Spring.

## STATE AWARDS GO TO THREE FROM COUNTY

For 4-H Club Achievement  
For Year Just Ending

### SELECTED ON RECORDS

Anna Jean Holbrook, Evelyn  
Waugh and Bobby Lee  
Cockerham Win Awards

### BEULAH IS BEST CLUB

Three Surry County 4-H members figured prominently in awards handed out in 4-H Club achievement for the year just ending, according to Jesse James, assistant State club leader.

Miss Anna Jean Holbrook, of Elkin, Bobby Lee Cockerham of State Road, and Miss Evelyn Waugh of White Plains were the achievement winners while Surry also was given another honor in the Beulah 4-H Club's winning the title of "The Best Club in the State."

Selected on the basis of records submitted to the State office, the winners in most cases will receive free trips to the National 4-H Club Congress in Chicago late in November. In addition, their records will be forwarded to Chicago, where they will be judged for sectional and national honors. Last year, North Carolina had one sectional and four national winners.

Miss Holbrook won the award in citizenship (girl), Mr. Cockerham won the leadership (boy) award, and Miss Waugh won the clothing award.

The Beulah club also was among the 10 clubs of the State having the best health records.

Tommy Creed of the Beulah club had earlier received an award in Class A dairy production.

These boys and girls have outstanding records of work. In many instances their 4-H club work was only a part of their extra-curricular activities. The rating of 4-H club members is in part dependent upon their scholastic work.

Judges in the State contests were Mrs. Mary McAllister, Southeastern District home agent; Colin S. Mintz, Eastern District farm agent; J. C. Powell, Edgecombe County farm agent; and Miss Mary Cornwell, Haywood County home agent.

## OFFICERS NAB WHISKEY LOAD

Total of 85 Gallons of White  
Booze Taken Friday In  
Cycle Section

### TWO MAKE FAST ESCAPE

A total of 85 gallons of white liquor fell into the hands of Yadkin County officers Friday afternoon in the Cycle section.

Sheriff Bill Moxley said the liquor, ten gallons of which were apple brandy, were confiscated together with an old-model pickup truck by Deputy Sheriffs Fred Turner, Loyd Prim and C. Russell.

The load was discovered by accident, when the truck passed the automobile in which the officers were riding and they heard the five gallon casks in which it was contained rattling against each other.

Two men in the pick-up ran and escaped when they were stopped. The truck was registered in the name of Worth Mayberry, of Cycle, Sheriff Moxley said.

Education is free and compulsory in Puerto Rico.

## 75-Cent Wage Act Is Likely To Benefit South's Economy

Washington — Payrolls in the South are likely to be increased by as much as \$150,000,000 a year because of the new 75-cent minimum wage act.

This became clear this week from talks with wage-hour administration officials. They estimated that at least half of the 1,500,000 workers who are expected to get raises because their pay now is below 75 cents an hour are in the South and Southwest.

The wage-hour administration estimated that approximately 570,000 workers in eight Southern states are eligible for pay boosts under the new law. These states are Tennessee, Virginia, North and South Carolina, Georgia, Florida, Alabama and Mississippi.

The administration estimated an additional 270,000 workers stand to get pay boosts from five Southwestern states, Texas, New Mexico, Oklahoma, Arkansas and Louisiana.

William R. McComb, wage-hour administrator, has estimated that the direct wage increases caused by the law for workers now getting less than the 75-cent hourly level will average between five and 15 cents an hour.

So a rough calculation can be made. Assuming the workers involved are averaging 35 hours of work a week and they will get about 10 cents an hour on the average to bring their wage to the 75-cent level, it means such a

**STILL MISSING** — Walter Flasher, 49, a coal miner who worked occasionally at the farm of Decatur Gentry near Elkin, disappeared more than two weeks ago. He is yet to be found. This picture, found among his belongings left in his automobile, may help to locate the lost man if he is still living. Attempts to contact relatives have failed.

## DISAPPEARANCE STILL MYSTERY

Walter Flasher, Who Disappeared  
More Than Two  
Weeks Ago, Not Found

### NO TRACE OF FAMILY

The whereabouts of Walter Flasher remains unknown.

The 49-year-old coal miner disappeared more than two weeks ago from the farm of Decatur Gentry near Elkin where he occasionally worked.

Sheriff Sam Patterson said yesterday that no trace had been found and that the disappearance presented a puzzle to which he could see no immediate solution.

Deputy Sheriff Gold Payne of Elkin reported that he had visited the Gentry home and investigated the disappearance extensively. As far as could be ascertained, Flasher had only two relatives—a wife and son—living near Charlotte, but a wire from Mr. Gentry to them remains to be answered.

Flasher reportedly went missing after he had gone to the fields to dig potatoes on the morning of October 10. The potato digger and a few potatoes were found nearby, but no trace of the miner. His car was left at the house with the keys in the switch along with some clothing and a banjo inside.

Sheriff Patterson reported that only one official search had been made but said he was told that neighbors and friends sent out a searching party soon after the disappearance.

## Plan 4-H Council Meeting Monday

The Surry County 4-H Council will discuss parliamentary procedure at a meeting to be held Monday at the Dobson courthouse.

Assistant County Agents Donald A. Halsey and Henry O. Dunbar will meet with officers of the council and present the study. Members of 23 clubs of Surry County are expected to attend.

## Family Life Leaders To Hold Meeting Here

Home Demonstration "Family Life" leaders of Surry, Yadkin and Wilkes counties attended a lecture-demonstration by Mrs. Corinne Grimsley, family relations specialist of Raleigh, in Elkin Tuesday.

Leaders will give similar demonstrations at the November club meetings of their respective groups.

## ELKIN VETERAN POST TO BEGIN HUT BUILDING

Decision Made Tuesday Night  
At Committee Meeting

### 40 X 70 DIMENSIONS

Excavation To Begin This  
Week On Eight-Acre Tract  
In West Elkin

### THIRD OF FUNDS READY

The William J. Jones post of the Veterans of Foreign Wars began steps here this week to build a VFW Post Hut in West Elkin.

Decision was made Tuesday night by the hut committee, which is headed by Commander Russell Burcham, to give the "go ahead" to excavation and subsequent construction of a 40-by-70-foot building. The hut would be for both veterans and community use.

Grading will begin this week on an eight-acre tract of land purchased by the post through proceeds gained from an air show given last year. One-third of the funds needed to complete the building is now in the post treasury and the remainder will be solicited beginning immediately.

The building will be of cinder blocks with a gable roof. The basement, which will be used for post activities, will be 40 x 70 feet. An upstairs, for community use, will consist of a ball room of the same size. Other rooms, toilet and kitchen facilities will be housed in an 18 x 34 foot addition.

The local post of the VFW was formed three years ago this month with Earl Davis as commander. The members met at the YMCA and later moved to the basement of a downtown building where they now hold meetings.

The post is outstanding in District and Departmental circles. Its commander, Russell Burcham, is senior vice-commander of the

## COCHRANE TO TAKE COURSE

State Road Man To Study  
Artificial Breeding of  
Cattle At State College

### BEGINNING NOVEMBER 7

Don W. Cochrane, Jr., of Route 1, State Road, has made application to receive instruction in the artificial breeding course to be taught at State College beginning November 7.

Cochrane, a farmer and student in the Veterans Farmer Training class at Mountain Park, will serve as an artificial inseminator when he completes his training. He will work under the supervision of the Surry County Breeding Cooperative.

According to the records of Grady Cooper of Dobson, secretary and treasurer of the Surry Breeding Cooperative, 476 cows were bred artificially during the first 13 months of the breeding program's operation in the county.

Other officers of the group are R. E. Snow, Elkin, president; Carroll Perkins, Dobson, vice-president; N. A. Lowe, Jr., Mount Airy, Joel Jessup, Mount Airy, and Franklin Miller, Elkin, directors.

## Agriculture Workers To Hold Meet Today

A meeting of the Agricultural Workers Council will be held in the Dobson courthouse today (Thursday) at 3:15 p. m., Neill M. Smith, county agent, announced yesterday.

Representatives of the Social Security Agency will discuss changes in the social security program as amended by Congress.

Also, H. R. Niswonger, extension horticulture specialist, will discuss a strawberry planting project which is to get underway soon among 4-H members, F.P.A. and F.H.A. groups in cooperation with the Agricultural Committee of the Mount Airy Kiwanis Club, Mr. Smith said.

## VFW Group Attends Mocksville Meeting

Several persons from the William J. Jones Post of the Veterans of Foreign Wars and V. F. W. Auxiliary attended the 11th district meeting of the V. F. W. in Mocksville during the week-end.

Among those attending were Mrs. E. P. Layne, Mrs. Maurice Bumgarner, Mrs. James Dobbins, Miss Olene Royall, Russell Burcham, John Foster, Bill Harris and Jack Robinson.
