

THE CITY AND SURROUNDINGS.

Maximum temperature for July 11th. 1891. 87°. 1892. 89°.

BRIEF LOCAL ITEMS.

The first cantaloupes of the season were in yesterday. The vestibule was two hours late yesterday morning.

The report from the gun club will be heard this evening. The Benevolent Society meets Thursday night at Miss Minnie Cochrane's.

The shipments of watermelons from the South were unusually heavy yesterday. Chief Mason has set the fashion. He is wearing the first Cleveland hat seen here.

For the first time in months all of the court house ring was together yesterday. The tennis club seems to have "racked" itself out of existence. It was pleasant while it lasted.

A picnic is being planned by some of the young people for the latter part of the week. More anon. The prohibition club meets at the court house Friday night. Rev. Dr. Cressy will address the meeting. All are invited.

Part of the rear wall of the old Second Presbyterian church fell in Sunday night. It startled people in that vicinity considerably. The Observer was yesterday given a fig out of Col. J. T. Anthony's yard, which measured 8 inches around, and weighed five ounces.

The Savannah colored base ball team arrived here this morning at 3 o'clock, and will play the Quicksteps a series of games beginning tomorrow. Mr. J. C. Severs, who lives on West Trade street, is having a large addition made to his residence. The work is being done by Mr. J. J. Mullis.

The noon train on the Richmond and Danville was late yesterday, for the first time in two months. It came in half an hour after time due. The plans for Mr. Walter Brem's new residence on South Tryon street are very handsome. The building will be unlike any other in the city.

Capt. Clarke and Mr. Worrell could not perfect the arrangements to take the Buford on the 15th. Mr. Kittelle will not give up the hotel before the 1st, the time stipulated in contract. The Alliancemen round about are beginning to get themselves and steeds ready to take the road leading to Williams' Chapel Thursday. There will be a big meeting of the Alliance forces.

Long Creek comes up with a snake story. Master J. Boyd Wilson killed a large snake Saturday, in which 21 young snakes, ranging in size from 2 to eight inches, were found. The county commissioners met yesterday for the purpose of revising the tax list. The work could not be concluded in a day, and will necessitate another meeting today.

The case of the Carolina Central scheduled to take the railroad commission Saturday next, the 16th, and those who desire to object can then have a hearing. The list takers were busy yesterday "booking" the delinquent tax payers. Their name is legion. A large number of delinquents are respectable white people who own property in the city.

Mr. W. M. Smith is making rapid progress with his census of all the hands employed in all the factories and mills of any kind in the city. He has completed all the wards but Ward 2. At the meeting of citizens at the rooms of the chamber of commerce last evening, the editors of the city were appointed a committee to collect funds and to make all arrangements for the entertainment of the Press Association.

The pension board met yesterday and passed on the following pensions: Mrs. Martha M. Reid, Mrs. Louisa Caton, Mrs. Francis Stringfellow, T. N. Alexander, J. C. Walker, Mrs. Holly E. Sustaine, J. M. Howard, J. D. Ferris. Two applications were rejected. Squire Davis had two cases to interest him yesterday morning. One was that of Mary Walker against Jesse Mullis (both white) for slander. Action dismissed at prosecutor's cost. Lawson Canady for an assault and battery on Isaac Phifer, was fined a penny and cost.

The prospects are that several will go from here to Denver to the great convave of Knights Templar. Those contemplating going are, Messrs. William Anderson, W. F. Buchanan, W. G. White and C. A. Petty. Already 500 Pullman sleepers have been chartered for the transportation of knights from various sections. The beautiful manner in which Elmwood cemetery is kept is the source of constant remark. The walks are clean and free from grass, or the plants beautifully green with grass, or ornamented with flowers, and there is not a spot in the cemetery which does not show the work of a skilled gardener, such as Mr. Thomas is.

This is the day for the big prohibition meeting at Sharon. Great preparations are being made, and the expectations are that the prohibitionists from this section will be out in full force. The meeting will be held in the township hall. The object of it is to further complete the county organization, and to appoint delegates to the State convention at Greensboro on the 20th inst. Index to This Morning's Advertisements.

Hankin & Bro. assert that their \$5 shoe, which Uncle Sam wears, is equal to a \$7 shoe. Testimonials from Dr. Chapman's remedies curing grip and tetter-worm. Boyne & Badger's north window is something worth looking at. Persons holding claims against the Richmond & Danville Railroad for anything furnished prior to June 16, will soon get their money.

No. 9, O. W. Badger's old stand, is open again. Mr. J. H. Hoover has a fine stock of old whiskey there. Sardines, American or French, can be furnished by Badger & White. Seigle has put the price of his down to the, and a lot of other goods in proportion.

"DOT" ELLIS' AT HOME.

The "Dot" yesterday from the Richmond & Danville Train—Her halcyon life fascinating—What she has to say.

"Dot" came home yesterday, but not in a balloon. She "let" just like other folks from the noon train on the Richmond & Danville. She carried two big bundles in her arms, which were discovered to be doll babies for her little sisters. She looked just the same as when she left here to seek fortune and fame "up in a balloon," only she has discarded the military cap for a pretty straw hat, and altogether looks the better for her city life. She expressed herself as glad to be at home, but said she wouldn't give up her career as an aeronaut for anything. She likes "high life," and will go back to it eventually, but came home to her mother as she was about her. She said she had never had a fear about making her jumps; she always felt like she would be successful. In Washington the people made a big fuss over her, and she was treated finely. Ladies called on her and took her to the capital, and other places of interest, and altogether she made a big fuss over her, and she was not exchanged places with any one. She soon found out that "Frank" wasn't acting square with her, but was spending her money, so she released herself from his charge, and put herself under old man Hutchison's care, repudiating "Frank," altogether in all. The first one in Washington was when she fell into the river. She said she was not rescued by boats, but swam out. The people cheered her and numbers made her presents. "Dot" says the Hutchison's are coming back here to give assassinations, and she will join them again, and make a jump here.

ROAD MATTERS DISCUSSED.

By the Joint Committee of Trustees and Commissioners. The road committee of Charlotte township met yesterday at the office of the city water works and recommended, according to the resolutions of the joint committee, on motion of Commissioner Hilton, that the following plan of work be adopted: First: Owing to the fact that stones have already been purchased by the county commissioners on the Providence road, that the road be crushed and the road-bed prepared for the same; and further that no more stone be purchased.

Second: That the convict force shall resume work on the Providence road after the completion of the grading and bridge on the South street road. Third: That the Lawyers' road shall receive 1,000 yards of macadam and necessary grading to accommodate the same.

Fourth: That the convict force shall then be moved to the poor house, or D street road, which shall receive 3,000 yards of macadam and grading, and the bridge built as by the resolutions to that effect adopted by the joint committee.

Fifth: That the Monroe road shall receive 2,000 yards of macadam and grading. Sixth: That, as recommended, the western portion of the township, that has received little attention, shall receive its proportion of work.

Seventh: Recommend that the chairman transfer one thousand dollars to the convict fund. A Prize was What Every One Got Who Attended It—Spartanburg Plays Well and Behaves Well. Don't Miss Today's Game.

Going to see a game of ball is like buying a ticket to a lottery. You sometimes get a prize, and you sometimes don't. If you had witnessed the game yesterday between Spartanburg and Charlotte, the prize would have been yours. The liberal minded folks present felt like giving the gate-keeper another quarter, so pleased were they with the exhibition. It was one of the best games of the season, surpassing the league games by far. The teams were well matched, but Charlotte had Frank, and Spartanburg didn't, that was why the score stood 2 to 2 our way.

Both battlers—Frank and Daly, and Bamberg and Flemming—did elegant work. Frank only gave the visitors two hits, while Charlotte won only five off of Bamberg. Only three errors were made—two by Charlotte, one by Spartanburg. The game was devoid of any phenomenal play, but abounded in good work throughout. The Spartanburg team is composed of gentlemen—every man of them, and their behaviour on the grounds was exemplary.

The game-to-day should draw a large crowd, and it will be a good one, and worthy of patronage. The positions will be as follows: STANTANBURG. CHARLOTTE. Bamberg, p. Frank, lb. Fleming, c. Daly, c. A. Thomas, lb. Hand, p. Joel, 2b. Robertson, 2b. Huggins, 3b. B. Mettinnis, ss. W. Thomas, s.s. E. Mettinnis, 3b. Albert, 1. Palmer, 1. T. Thomas, cf. Taylor, r. Powell, r. f. Walker, r. f. Fowler, r. f. Umpire, Lee Hand.

The New Book Store—An Attractive Resort. One of the most attractive places in the city is the new book store—Putnam's. The line of novels displayed will rivet many of the city stores, and already it is vying with the enviable reputation won by Messrs. Ross & Adams in their palatial days. Not the least of the attractions to be found at Putnam's, is "Johnny" Anderson. He draws with irresistible meditations as the "manget did the silver chorn." With such a complete and beautiful line of goods, and "Johnny" to show them off, there is no reason why Putnam's should not be to Charlotte what Ross & Adams' was. Mr. Putnam is well pleased with his success so far, and thinks Charlotte as fine business center as can be found in this part of the country.

Ice Cream Treat—The Ada Misson. The teachers of the Ada Mills Sunday school, gave the attendants of the school an ice cream party Saturday night, which was a pleasant affair. There was an abundance of cream, cake, lemonade and fruit, and, as was expected, fun also. This school is one of the most flourishing in the city. It was built up from a nucleus of five or six, to a present membership of 40. As soon as possible, it is desired to build a chapel in that locality, as one is greatly needed.

Church Notes. There is some talk of changing the name of the Second Presbyterian church. The original Second church, is now no more. A new one has risen to take its place, and now, if ever, is the time the congregation should adopt a new name. The services held by Presiding Elder Tye, Sunday, in Church Street Methodist church, were largely attended. Mr. Tye's sermons were both able and interesting, and enjoyed by all. Capt. Mason at Newton. The Observer is authorized to say that Railroad Commissioner Capt. Thos. W. Mason, of Northampton, will address the people of Catawba at Newton on Tuesday, 19th inst, this being Tuesday of court. Capt. Mason is one of the most interesting speakers in the State and could be listened to with profit this year by the people of other counties as well as those of Catawba.

IN FUNERAL GLOOM.

Homes that are Darkened, and Hearts that are Bereaved—Funeral of Miss Sinclair—Other Deaths.

The funeral services over the remains of the late Miss Annie H. Sinclair were conducted yesterday morning at 10 o'clock at the First Presbyterian church by Rev. Dr. Reed, and Rev. Edward Mack. She was buried in the new vault at the front of the pulpit the choir sang most beautifully, "In the Hour of Trial." After a hymn, and prayer by Mr. Mack, Dr. Reed read several passages of Scripture, and made a brief talk, appropriate to the occasion. His remarks were full of comfort, and his allusion to the "bright young life" so suddenly brought to a close, especially feeling. After the hymn, "Asleep in Jesus," the remains were taken from the church, during the singing of the choir of that beautiful hymn, "One Sweetly Solemn Thought." The interment was in Elmwood. The pall bearers were Messrs. Joseph Maclean, C. F. Wadsworth, Minor Elliott, Harry L. Sanders, G. C. Coulter and Dr. R. L. Gibbon.

Sada, the little 10 months old child of Mr. and Mrs. T. J. Wilson of Seversville, died Sunday afternoon at 9 o'clock, after an illness of several weeks. The funeral services were conducted yesterday at Sugar Creek church, by Rev. Dr. Parks and Rev. Mr. Fincher. The interment was at Sugar Creek.

News was received here Sunday of the death, in Statesville, of Sarah, the little 6-months old child of Mr. and Mrs. J. M. Wilhelms. The little one had only been sick a few days, and its death was quite sudden. Mrs. J. W. McCombs and Miss Adelaide Scarr, left for Statesville Sunday evening to attend the funeral.

Mrs. Jane Bigham, an aged lady of Berryhill township, died Sunday after a brief illness. The funeral will take place to-day at Steel Creek.

The funeral services over the remains of the little child of Mr. and Mrs. P. E. Linnell, were conducted Sunday evening at 6 o'clock at the residence, by Rev. Mr. Austin. A large number of friends attended the services. The pall bearers were Messrs. J. O. Bell, Jos. Moss, J. A. Sheets and J. M. Stone.

Mr. J. H. Collins left yesterday for a trip South. He will be in Birmingham several weeks. The news from Mr. Ike L. Withers, whose critical illness was noted in Sunday's OBSERVER, is that he is just alive. No hopes are entertained for his recovery.

Mr. J. S. Myers and daughter, Miss Sophie, leave this morning for Asheville. Miss Annie Lee Younts, of Pineville, passed through the city last evening on her way to Matthews. Mr. C. P. Younts and Mr. W. A. Smith were up from Pineville yesterday.

Mrs. C. D. Pellham, of Asheville, is at her mother's, Mrs. Alexander Sinclair's. Mrs. J. E. Fogarty, of Chapel Hill, arrived here yesterday, to visit at Alderman C. Scott's.

Mrs. Edward Howard and Miss Alice Howard are students in the city. Mrs. Hugh Sloan, of Davidson College, spent yesterday at Mr. J. H. Weddington's.

Mr. G. W. Kittelle left Sunday evening for Virginia, where he is arranging to open a hotel. Judge Hoke and sister, Miss Sallie Badger Hoke, of Lincolnton, came down yesterday and stopped at Col. H. C. Jones'. They left this morning for Morehead accompanied by Misses Connie and Lila Jones and Miss Mary Grier.

Miss Kate Shipp and Mr. Barg Shipp came down from Lincolnton yesterday, and went on to Raleigh last evening. Miss Mary Dusenbury was over from Concord yesterday. Mr. Walter Brem and family leave to-day for Morganton to remain several months.

Miss Annie Green, of Norcross, Ga., is visiting friends in the city. Mr. G. T. Crowell, of Concord, lately returned from Brazil, spent yesterday in the city. Mr. Crowell talks most interestingly of his travels. Mr. R. H. Fields returned from Hickory yesterday. Parker, of Pleasant Garden, near Greensboro, is in the city. Mr. John Springs Davidson is sick at his home in the country.

Mrs. S. Landecker and sister, Miss Frances Frankenthal, returned from Chester last evening. Mr. S. W. Harry, brother of the Messrs. Harry, of this city, is very sick in Chester. Miss Julia Richardson and Miss Minnie Helper came down from Davidson College last evening.

Mrs. L. D. Hargrave and children returned from Cleveland Springs yesterday evening. Mr. Eli Laird and brother-in-law, Mr. G. H. Lanier, of Atlanta, leave this morning on the 4:30 o'clock train for the coast. Mr. W. M. Stitt, Jr., is home on a visit. Mr. Stitt is now traveling for a Boston house.

Mr. D. R. Harry and family, returned yesterday from Creswell Springs. Dr. J. J. Mott, of Statesville, was in the city yesterday. Editors J. P. Cook, of the Concord Standard, E. B. Sherrill, of the Davidson Dispatch, and J. R. Miller, of the Living Issue, were among the city's visitors yesterday.

Rev. Brevard Sinclair Here. Rev. Brevard Sinclair, of Newburyport, Mass., arrived in the city yesterday just in time to witness the burial of his sister, Miss Annie Sinclair. Mr. Sinclair was on his way to join the family in Asheville, but received a telegram at Salisbury that the remains had been brought to Charlotte, so he caught the delayed vestibule and reached here just in time to join the family and friends at the cemetery.

Mr. Sinclair will remain here several days only, as his duties as pastor of the large and growing church at Newburyport are onerous and demand all his time and attention. Mr. Sinclair ranks with the most talented young divines of the Northern church. A most enjoyable affair was the lawn party given last night at the residence of Mr. Edgar Walker, in Sharon, complimentary to Miss Estelle Thompson, of Georgia, at present visiting at Mr. Walker's. Several young gentlemen from this city were present, and all were enthusiastic over the pleasure of the evening. Refreshments were served at 10 o'clock.

He and the Cat Belonged to the Same Party.

A very sickly looking old cat has been frequenting the store of Messrs. Long Bro's on East Trade street, for several weeks. They had it sent off to the creek or other "happy hunting ground" several times, but it would return. Yesterday, after a return trip, Mr. Long picked it up and gave it to a gentleman to hold while he put a tag on it with the wording—"A lost delegate to the Third party convention." It so happened that the gentleman holding it was a Third party man, which none knew to be the fact, until he read the wording of the tag. He "fessed" up, but didn't enjoy the joke as much as others present.

A two-year-old child of Mr. James Stone, who lives on West Fourth street, came near dying Sunday from drinking a little kerosene oil. It suffered agony, and only the prompt medical attention saved it.

Democratic Club at Davidson.

The citizens of Davidson met on the afternoon of the 9th and organized a Democratic club. We mean to aid all we can in the coming struggle, for we think it the duty of every one to take an active interest in all the political affairs of our country. Prof. W. D. Vinson was elected president of the club. Four vice-presidents were elected from the various parts of the township. We hope to have a speech from our president at an early date. He has studied the silver question very thoroughly and is prepared to go to the very bottom of it and give his reason for standing firmly on the Democratic platform. We can safely promise every one a grand treat on that occasion. We expect, as soon as practicable, to have a grand rally, with F. L. Osborne and others of our State and county ticket, to address us. Our next meeting will be on Saturday, the 23d, at 3 p. m.

Meeting of the County Alliance. Correspondence of the Observer. The Mecklenburg county Alliance will meet with Davidson Alliance (at Williams' church, five miles from Charlotte, on Beattie's Ford road,) at 10 o'clock a. m., July 14th. Davidson is making all necessary arrangements to entertain the county Alliance. All friends of the Alliance and those who are curious to know what the Alliance believes, are invited to fill their dinner-baskets and come, but office-seekers and club-raisers will not be allowed to air their tongues on that occasion. By order of the president, J. A. SOPLEY, Ch'n Com. of Arrangements. July 12, 1892.

SCHOOL BOYS' PRIDE SHOES. We have just received a new lot of these world-renowned Shoes, with plain toe and light soles, just the thing for a nice Summer Shoe for Boys. Our stock is always full and you can have them plain Toes or Cap, light or heavy soles, with good broad bottoms. The most economical shoe you can buy. GRAY & BARNHARDT, 19 East Trade St., Charlotte, N. C.

A SENSIBLE CHANGE. Have you seen Uncle Sam in a pair of our shoes? If you haven't, you have missed a treat. You will miss a treat if you don't get into a pair of them yourself. They hurt neither the feet nor the pocketbook. They are as near perfection as any shoe can be, and very much nearer than most shoes. Nothing in footwear is cheaper, nothing more durable, and nothing more comfortable. Equal to any shoe on the market. If you have sensitive feet, try the shoes you want. If you haven't, they're the shoes you want. Just the same, if you are particular, and if you want to be particularly good to your feet, get a pair. A large stock Hats and Umbrellas, Trunks, Valises and Handbags always on hand. A. E. RANKIN & BRO.
