FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Theford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, "of indigestion, with sick headache, and stomach trouble.

Ten years ago a friend told me to try Theford's Black-Draught, which I did and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and I find them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nervous headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

The Handy Tobacco TRUCK

Farmers Handle Your Tobacco Crop Right By Using the Cox Patented Handy Tobacco Truck

This truck has the correct pull and cuts easy. As you will note in cut below, the wheels are solid. No spokes for sticks, roots &c., to catch in and throw truck into the tobacco row and damage your tobacco. Tobacco torn and bruised is money lost. There are over thirty thousand of these Patented Handy Trucks in use now, and they are growing more popular each year.

They Make Money for The Farmer

We wish to call your attention to the fact that we are making Tobacco Flues again this season. If you want your flues made right and to go together without trouble and worry, come to see us. Don't forget about the Hansucker Buggies and Surries, and the "Tar Heel" Wagons and Carts, all of which are in demand in connection with the Truck and Flue season.
