The Daily Workman.

Vol. 5. GREENSBORO, N. C., WEDNESDAY, AUGUST 24, 1887. No. 74.

Personal.

Mr. Carroll has recently returned from a trip to Lynchburg. Mrs. W. R. Odell is here from Concord on a visit to relatives. Miss Wolf and Miss Pritchett have returned from their visit to Hillsboro. Mess. G. W. Hinshaw and John W. Merritt came in on one of the trains last evening. Rev. Dr. Burkhead was here this morning from his visit to Muir's Chapel camp meeting. Rev. L. W. Crawford reached the city last night and went to Winston this morning on a visit to his brother. Miss Thos. B. Keogh and daughter, Miss Katie, who have been on a trip to Asheville, have returned to this city. Rev. Mr. Whitaker, of the Spirit of the Age, Raleigh, went up to the Rutherford Tabernacle meeting this morning. Miss Mamie Williams, of Raleigh, after spending some time in this city very pleasantly, returned to her home yesterday. Students for Greensboro Female College are arriving by nearly every train. Twelve or fifteen came in on the Raleigh train last night. Miss Nellie H. Ryder, who has been spending several days in this city with her father, Mr. W. B. Ryder, has returned to Richmond, Va. Mess. George and William Wills, and Mac Ball of this place, left here this morning to enter the State University. Others went down from other points above.

THE RAILROAD ACCIDENT.

We received a postal card this morning in relation to the collision on the Virginia Midland railroad yesterday, and give it in full as follows: ORANGE C. H., Va., Aug. 23. One mile north of this place, at 5:25 this a. m., the north-bound passenger and a freight train collided, resulting in a complete wreck of both engines, mail car, and an almost complete wreck of the first and second-class cars. The fireman of freight train they think will certainly die—no others seriously injured, though a good many were bruised badly. Yours truly, PETER P. YATES.

THE FOREGOING WILL ALLAY THE APPREHENSIONS OF FRIENDS AS TO THE WELFARE OF SEVERAL—TWO FROM RANDOLPH COUNTY, MESS. GILBREATH AND COX—who were known to have been on the north-bound train.—EDITOR.]

A very atrocious crime was attempted at a point near Kernersville yesterday, and the offender, a negro whose name is given as Eugene Hairston (and Hairston is an ill-starred name among colored people) was captured and put in Greensboro jail for safe keeping. No wonder at the excitement of the people on hearing of an attempt so atrocious, and if the law does not adequately punish such wretches—it rarely does, we think—then Judge Lynch will be around with his plow lines and oak limb.

IT RAINED HOT WATER.

The suggestion, made jocosely by Maj. R. P. Atkinson this morning, that it must have been raining hot water for the past six weeks, would account for the fact that none of our rains now-a-days are ever followed by cooler weather.

The divorce trial which we published yesterday elicited no little interest, as the parties stand high in public esteem. We gave the facts and can furnish our authority if necessary.

Mr. D. F. Hymas, of Mebane, will marry at that place this evening a short time before the arrival of the west bound train a young lady from York State who came on to be present at the marriage.

Valuable Lands for Sale.

Some 200 acres of valuable Land within one mile of the court house, and coming up to within one hundred yards of the corporate limits of the city of Greensboro, N. C., lying on both sides of the two public roads, leading one to Salem, the other to Martinsville. Good building sites, well watered, 15 or 20 acres of Bottom Lands. Any person wishing to settle near a thriving city, and own 10 to 20 or 50 acres around their dwelling, would do well to write or call on me, at Greensboro, the first week in September next, and I will sell at a bargain.

I removed from Greensboro to Tennessee in October, 1873, and this Farm has, no doubt, gone to wreck, and I wish to sell to some one who will develop it fully. A few negroes, with poor stock, in 1886, raised over one thousand bushels of corn, besides oats and hay, and it can be made to produce far more. It is a good location for a Dairy Farm. Aug. 23 1f W.
