

# THE DAILY WORKMAN.

J. S. MICHAUX, Local Editor

A paper for all people, but especially to meet the desire which many are known to entertain for a non-political sheet, the WORKMAN will strive to go into every house, leaving to other papers the science of politics, giving the news in a brief and holding itself responsible to the moral sense of the community for its utterances.

—Be sure to report at this office any and every failure to receive the DAILY WORKMAN.

**ENLARGEMENT OF FACILITIES.**—Mr. O. R. Cox, of Cedar Falls, and Mr. Emery, of Worthville, passed through Greensboro some days ago on their way North for the purchase of additional machinery for the Cedar Falls Manufacturing Company. The Cedar Falls mills are in a prosperous condition under the oversight of Mr. O. R. Cox, the superintendent.

—The fine weather of the past few days has been calculated to soften the asperities of human nature, and lift men's contemplations from earth to sky. How grateful to the senses of the thoughtful mind the well adjusted temperature, the hazy atmosphere, the pale blue sky and the foreground of green foliage still hanging out from the retreating summer-land. Here and there in the forest nature has begun her painting of red and scarlet, the touches that precede the general embellishment of autumn. It should be left to the brute creation to sniff these royal odors and behold these surpassingly beautiful scenes unmoved by grateful emotions.

**ELECTION OF OFFICERS.**—At the annual meeting of the Fire Company, on Wednesday evening, the following officers were elected for the ensuing year: President—C. D. Benbow. Vice-President—J. T. Abbott. Foreman—C. D. Benbow. First Assistant Foreman—S. D. Wilson. Second Assistant Foreman—John Wakefield. Secretary—D. Shenck, Jr. Treasurer—W. T. Chichester. Engineer—W. H. Thomas. Assistant Engineer—J. T. Abbott.

The Company decided to offer a handsome fireman's Gold Badge to the member who is first at the engine house the greatest number of times during the year, when the fire alarm is given.

**CONTRARIETY.**—We received two communications yesterday morning, both well written, anent the matter of our late editorial addressed to parents. We have read them both. One of them agrees fully with the writer (we shall insert it hereafter,) the other contains some strictures on certain parts of the editorial, though agreeing "it was all right that such a piece should be printed." We would like to publish this second piece, but cannot because it lacks a responsible name.

It never entered our mind to interfere in the least with proper social relations between the sexes, and if we were to draw up a bill of rights and privileges, and the restrictions on social liberty, it would be a "mighty fast" young woman who would not be content with the boundaries set up. We are probably mistaken, after all, in supposing that the letter containing certain strictures on our article to "Parents" was intended for publication as, on a second reading we find the address as follows:

"Mr. Editor, Will you please give this to the man who wrote that piece to Parents in one of last week's issues?" He shall have it, most assuredly.

—When a man buys pure lard it can be said that he gets fat.

—A train on the York River railroad ran into a mule team, killing both mules, demolishing the wagon, and fatally injuring the driver.

A gang of burglars which has infested Port Jarvis, New York, has been broken up by the arrest of the three leading spirits.

One of the meanest things about human nature is the proneness of men to lay the blame on others when a common cause or joint enterprise fails. Leadership always incurs the risk of martyrdom, but heroes will be heroes nevertheless.

**HOME AND ITS QUEEN.**—A sweet, happy home is the next best place to heaven. It is the best moralizer and civilizer among men. When home is gone, all is gone. The Government will go when our homes go. Our home life and family life is the chief corner-stone of this great country of ours. The more we have of this, the better it will be for us as a people. When a woman a wife and a mother makes a good home, one whose piety is supreme, she is doing the best and greatest thing for her country a woman can do. It is infinitely above the ballot-box, the hustings, the senate chamber, or the house of representatives. Home and the remembrance of home is often the last link that binds a prodigal boy's heart to God. Thousands of them have come to themselves while thinking about home. The remembrance of home leads them to say, "I will arise and go to my father's house."

There is a home. See that mother sitting by the cradle. She is rocking a baby boy. Hear! she is singing to him. She is rocking and singing life into that boy, singing purity and truth into him, rocking love and manhood into him. She is rocking the church and nation in that cradle; for God's sake let her alone. An angel might envy a work like this; and angels are here, too, kissing dimples in baby's cheeks and dropping grace in that mother's heart. Let her alone; for the sake of the country, let her alone. She can't go to the polls; she has a greater and grander work on hand. God bless that home, heaven shield that mother; and the Lord will bless that land that cares best for that mother and that home.—Southern Christian Advocate.

The Albany, N. Y., authorities, moved by the threats of the "committee of 13" to punish liquor dealers who had taken out no license, told the delinquents that they must pay up or shut up. The result was 57 saloons paid up, and 25 closed their doors.

## Worth Knowing.

Mr. W. H. Morgan, merchant, Lake City, Fla., was taken with a severe cold attended with a distressing cough and running into consumption in its first stages. He tried many so called popular cough remedies and steadily grew worse. And he was reduced in flesh, had difficulty in breathing and was unable to sleep. Finally tried Dr. King's New Discovery for Consumption and found immediate relief, and after using about a half dozen bottles found himself well and has had no return of the disease. No other remedy can show so grand a record of cures as Dr. King's New Discovery for Consumption, which is guaranteed to do just what is claimed for it. Trial bottle free at Hunter & Michaux's Drug Store.

Fear God, and do right.

**BEST FAMILY MEDICINE** NO FAMILY SHOULD BE WITHOUT IT, and, by being kept ready for immediate use, will save many an hour of suffering and many a dollar in time and doctors' bills.

"My Only Family Medicine." "I have been a user of Simmons Liver Regulator for many years, having made it my Family Medicine. My mother before me was very partial to it. I find the Regulator very safe, harmless and reliable as a Family Medicine, and have used it for any disorder of the system and found it to act like a charm. I believe if it was used in time it would prove a great preventive of sickness. I have often recommended it to my friends, and shall continue to do so."—Rev. J. M. ROLLINS, pastor M. E. church, South Fairfield, Va., to J. H. ZELLEN & Co., Philadelphia, Pa., proprietors of Simmons Liver Regulator.
