-Miss, Mary Anderson, the actress, who has been ill for several weeks, and who, it was thought, had lost her mind, was seen in Philadelphia on yesterday, and it is said talked perfectly rational. She intends sailing tor France at an early date for a season of rest.

-We hope all our citizens will do their best to make the next celebration of the Battle of Guiltord Court House a grand success. Governor Vance will deliver the address on that day and extensive preparations are being put on foot to accommedate the people on that occasion.

-We regret to learn that our young friend, Mr. A. G. Robinson, who ton, Albert Meadow, Mrs. Lucy has been here for the past year or more with Mr. J. F. Jordan, intends removing to Danville in a few days. Mr. Robinson has many friends here who are sorry to learn of his intended

-We learn that Col. Richard I. Dodge, of the 11th Infantry U. S. Army, has been detailed by the Government to attend the Encampment of the State Guard at Wrights ville this year. Col. Dodge is an uncle of Gen. Jas. D. Glenn, and is a native of Rockingham county.

-We had a call this morning from Mr. A. D. Smith of A. D. Smith & Co. These gentlemen are getting up a Historical and Biographical work on Western North Carolina. They have just finished a similar work on Northern Alabama. It will be published by J. B. Lippincott & Co., of Philadelphia.

-One of the most attractive features of the Guilford Battle Ground celebration on the 4th. of May next will be the Continental Company dressed in continental uniform. The young gentlemen who are to compose the company had their measure taken on yesterday and the uniforms will be ready for the celebration. A fife and drum corps has been organized and will march with them on that day.

FIRST APPOINTMENT .- Mr. Jas. W. Albright, of this city is the first person to receive an appointment in North Carolina under the new administration. He has been appointed Agricultural Agent for the State of North Carolina. The duties of his office will not pecessitate his removal from this place or the severence of his connection with the North State. We are always glad to see newspaper men rewarded and we congratulate our friend Albright.

HANDS OFF .- Let no body attempt to discourage or defeat the plan which seems to have been set on foot to colonize the negroes of North Carolina on the soil of Arkansas; for perhaps this scheme will lead to s solution of a problem long since acnowledged to be difficult of management. If the hand of Providence is in this scheme, and it be not opposed, out fostered by the white people, we indertake to say that good will come of it. How this is to be we are not obliged to know. (We walk by faith; not by sight.) The race problem has been seeking a solution. and there is no agreement among our leading men as to the plan to attain the end. Now let the problem
