John Leslie, farmer and stockman, of the same place, says: 'Pain Electric Bitters to be the best Kidney and Liver medicine, made me feel like a new man.' J. W. Gardner, hardware merchant, same town, says: 'Electric Bitters is just the thing for a man who is all run down and don't care whether he lives or dies; he found new strength, good appetite and felt just like he had a new lease on life. REMARKABLE RESCUE.

Mrs. Michael Curtin, Plainfield, makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use, and after taking ten bottles, found herself sound, and well, now does her own housework and is as well as she ever was.—Free trial bottles of this great Discovery at C. E. Holton's drug store, large bottles 50c and \$1.
