LOOK! READ!

Madam Hazel

ramous Palmist and Clairvoyant

the state of the s

This lady lately arrived in your town to do good for the public by her wonderful powers in reading the history of one's life by the purchas- examining the hand. She tells the past, present and future, also gives advice on all affairs of life, such as love affairs, business be matters, family affairs, wills and divorces and most everything pertaining to the welfare of one's life. The Bible speaks in many sympathetic to the pleadings of line sold for the high places of the power of the palmist to predict the future things and give warnings. She tells you the initial of your future comdollar on the fol- panion, whether true or false. Tells you what business you are best adapted to and all about absent friends, whether living or dead. Tells you what planet you were born under, what part of the country is luckiest for you. This phenomenally gifted lady is now located in your town and can be consulted on affairs of life. She also tells the color of eyes and hair of your future wife or husband. Also gives initials of names. She also answers any and all questions. Call and consult this gifted lady at once,

A True Palmist is born. I am different from all others, because cert free lunch I not only read your life like a book, but also help you out of your troubles. For instance, what good would it do you to be told you I not only read your life like a book, but also help you out of your had a rival or enemy in your path unless you were told how to overcome them, or in case you wanted to win the love of a certain one would you be satisfied to be told it, or would you rather know Everybody Welcome one would you be satisfied to be told it, or would you rather know how you could win your desire? In fact, it does no good simply to be told of your troubles. I am able to point out the path to success and happiness and tell you how to overcome all your troubles and difficulties. Satisfaction guaranteed or money re-

Pay this lady a visit today, for tomorrow may be too late.
