LEGION.

Salem, Ore., March 20, 1925.

American Legion Post No. 47:

Dear Commander and Buddies:

In reading the Waynesville Courier which I received from an uncle of mine who lives near Waynesville, I noticed your write up of your next meeting of March 17.

So I thought I would try and write your post a short letter. I happen to be a Legion member of Capital Post No. 9 of the State of Oregon.

All my folks were born around Waynesville.

We have a very live post of 781 members and at our last meeting there were 400 members present.

I have often wanted to visit that part of the country and I hope to in the near future.

So I am wishing your post the best of luck and would like to hear from some of its members.

Our State convention will be held on June 25, 26 and 27, and if any of your members are planning a trip west this summer it will be worth seeing.

So wishing your post the best of luck.

I remain a Buddy,
THOS. M. CERRY.

SPEAKING OF "DELICIOUS RE- FRESHMENTS"

Said—But True.

Behold! The sages bodeath together, and they eat. The clark church together and they eat. The business men take counsel and they eat. The church bath in social and they eat. The young people elect officers and they eat. And even when the mission-ary society meeteth together they eat. But this latter is in good cause be-cause they "eat in remembrance" of the poor heathen who have not much to eat.

Behold! Hath man's brains gone to his stomach and doth he no longer regard intellectual dainties that thou can'st no longer call an assembly or get together a quorum or even a "baker's dozen" except thou hold up the baker's dainties as a bait? Be it true, that the day cometh, that, to get a crowd at prayer meeting the preacher must hold up a biscuit?

Yea, verily, thou hast heard of the child races of the world. But behold it is nigh thee even at the door. For as one calleth unto the child and say-eth, "come hither, sweet little one, and I will give thee a stick of candy," even so must thou say to his grownup papa and maama, "assembly ye to-gether and we will serve refresh-ments." And, lo, they come like sheep in a pen. Ain't it so? Ain't it so? Amen.—Selected.

BILIOUSNESS

Retired Minister Tells How He
Keeps in Good Form With
the Assistance of
Black-Draught.

West Graham, Va.—The Rev. Lewis Evans, a well-known retired minister, now past 80, living here, has a high opinion of Black-Draught, which he says he has taken when needed, for 25 years. "For years I had been suffering with my liver," he says. "Some-times the pain would be very in-tense and my back would hurt all the time. Black-Draught was the first thing I found that would give me any relief."

"My liver has always been slug-gish. Sometimes it gives me a lot of trouble. I have suffered a lot with it—pains in my side and back, and bad headache, caused from ex-treme biliousness."

"After I found Black-Draught, I would begin to take it as soon as I felt a spell coming on and it re-lieved the cause at once. I can recommend it to anybody suffer-ing from liver trouble. A dose or two now and then keeps me in good form."

Made from selected medicinal roots and herbs, and containing no dangerous mineral drugs, Black-Draught is nature's own remedy for a tired, lazy liver. NC-166
