*The Luxury of Sleep*

"Now I lay me down to sleep"—  
Oh, what a happy phrase!  
Enwrapped in folds of slumber deep,  
While stars their faithful vigil keep,  
Our barks across the darkness creep  
Between two busy days.

Afar we float on spirit wings  
Beyond the vaulted sky;  
We soar to realms of mystic things  
And drink of youth's eternal springs,  
While Mother Nature gently sings  
A soothing lullaby.

Of men asleep, it matters not  
How humble they may be;  
In sleep we know a common lot;  
All strife and burdens are forgot  
When each has found his friendly cot  
And sails the Morphean Sea.

The luxury of sweet repose  
Bids petty cares be gone!  
When men their weary eyelids close  
The spark of genius brighter glows;  
They gain the might that sleep bestows  
And gayly greet the dawn.

There are now more than 600 Bell telephone stockholders in North Carolina. The stock may be purchased at any telephone business office.

**Telephone Growth Continues**

THE growth and progress of North Carolina last year was strikingly reflected in the large investment in additions and extensions to the telephone system.

Such an active year of construction has rarely been experienced in the State, and, as a result, the telephone service is more extensive and more valuable than ever before.

In North Carolina last year the telephone workers handled 21,149 telephone stations, making a net gain of 6,227 new telephones and involving gross additions to plant of approximately \$1,834,471.

To accomplish this big task required the services of 1,257 workers, whose annual wage bill was \$1,449,620.

The investment in service in North Carolina as of December 31, 1924, was \$8,127,364, and there are now 55,250 Bell telephones in the State.

Some of the items included in the investment are 32 central offices, 141,305 miles of wire, 1,872 miles of pole line and 140 miles of underground duct.

There is a bigger task ahead this year, and your considerate interest encourages the telephone workers in their effort to serve you even better.

THE SOUTHERN SERVES THE SOUTH

**Whose interest in the Southern is greatest?**

We who are devoting our lives in the service of this railroad like to call it ours.

The investors who have put their faith and money into it to make it an efficient transportation machine—they speak of it as theirs.

And you who travel on it, whose goods it carries, and whose business depends on its regular service day in and day out—are you not entitled to call it yours?

We all have a feeling of pride and proprietorship in the Southern, and it is through the cooperative efforts of all of us that it has come to be the great railway system that it is.

This spirit will build a greater Southern to serve a greater South.
