RACCOON COUNTRY CLUB.

The name at least is appealing to the golfers and the leisure class that will come to our beautiful mountain country from Sunny Florida and all of our Southeastern States. There is now in the making a wonderful development that will mean big things for Waynesville and vicinity. Namely and henceforth Raccoon Creek section will soon jump into prominence unequalled by Biltmore Forest, Royal Pines or Laurel Park Estates. The property to be developed is traversed by Raccoon Creek from Pigeon Road. Starting at the Will Herren boundary and extending across to the North Highway from Asheville coming into it near Mr. T. N. Massie's home place towards Lake Junaluska.

The different farm places that will be embraced in this venture are those belonging to Will Herren, W. T. Crawford, Horace Ferguson, J. D. Eason, John McElroy, M. S. Russell, Johnson, Jarvis Allison, and Turner, comprising in all about 1000 acres.

This development will be thus bounded on one side by the National Highway along the Pigeon road leading through the wonderful Pisgah Forest and on the other side by the National paved highway, Asheville to Atlanta, meaning of course the Scenic Appalachian Highway quicker to New Orleans and Florida points. The property is ideal for the highest possibilities and will be of the highest class. There being a natural basin for a lake, this will be started at once. The wooded knolls will make ideal home sites and overlooking the best 18 hole golf course that money and experts can produce and the project backed by the man that made Laurel Park Estates such a success is the man behind this vast enterprise, meaning so much for our city Beautiful—Waynesville the Top Town of the Sky Country.

A REASONABLE GOAL.

When one considers a magnificent Country Club at an approximate cost of one hundred thousand dollars; a splendid eighteen hole golf course at an additional cost of same amount; a huge artificial lake covering fifty to seventy-five acres of land at an expense of around two hundred and fifty thousand dollars; paved streets, roads, boulevards, landscapes, polo grounds, tennis courts and all the wonderful things contemplated in the Raccoon Park development, to say nothing of the million dollar hotel, Waynesville will easily invest fifty or seventy-five thousand dollars for a real Chamber of Commerce. Waynesville is "The Top Town of the Sky Country." We have an unsurpassed water supply, municipally owned, truly the very best water on earth. We have more paved streets and still building, than any other Western North Carolina city, same dimensions. We have the finest fruit and apple orchards; considered the greatest in the cattle or live stock industry. Dairying, agriculture, to say nothing of our large furniture factories, tanneries and the largest pulp and paper mill in the world located at Canton. The Southern Methodist Assembly grounds with its wonderful lake and marvelous scenic grandeur.

All we lack has been "pep" and publicity. We have been too bashful, too busy, too satisfied to let the world know by all conceivable advertising methods exactly what they are missing by not knowing Waynesville. A fifty thousand dollar budget, with a live-wire Chamber of Commerce, with a full time high salaried advertising expert will solve our problems and will be of inestimable value not only to Waynesville, the capital of Haywood county, but to all of this section.

DOES A CAR WEAR OUT?

Dealers Cites Typical Examples from Thousands of Ten-Year-Old Dodge Brothers Cars Still in Active Service.

Dependability and long life, according to Haywood Garage, local Dealer, are largely responsible for the "World Wide Good Will" enjoyed by Dodge Brothers, Inc. These characteristics are but the natural results of selection of the highest grade materials, of precision in workmanship and of soundness of design.

"The files at the factory," says Mr. O. R. Martin, "contain hundreds of letters written voluntarily by enthusiastic owners of Dodge Brothers Cars which were among the first shipped into different parts of the country and which are still in active service. A large percentage of these has traveled well upward of 200,000 miles.

"As typical examples of these 'Old Timers,' car No. 12, the first Dodge Brothers car delivered on the Pacific Coast, is reported still in service after over 170,000 miles on all kinds of mountain roads. Car No. 13, the first received in Denver, Colorado, arriving there December 10th, 1914, was the first used a demonstrator. It is still giving satisfactory service to its original purchaser.

"The first Dodge Brothers car sold in the State of Arizona was recently traced by the dealer at Phoenix and located in the service of a farmer in Yuma Valley. It now occupies a conspicuous place in that dealer's display room.

"Touring Car No. 152, the first sold in Portland, Maine, is far from the scrap pile. The original owner, Mr. Jordan, after using it for a number of years as a passenger car, converted it into a 3-4 ton truck to convey garden produce to the Portland markets. The satisfactory service rendered by this ten year old car led Mr. Jordan, when later in need of an additional truck of greater capacity, to buy a Graham Dodge Brothers Truck, which is powered by Dodge Brothers engine.

"Car No. 136, the veteran of Pittsburgh, was traced by the dealer through several changes of ownership to a farm where it was in daily service over rough country roads. In spite of the high valuation placed by the owner, 'Old 136' now occupies a place in the Pittsburgh salesroom.

"From the dealer at Glens Falls, New York, comes the report that he has just purchased for display and demonstrating purposes one of the first Dodge Brothers cars delivered in his territory. It has given \$150,000 miles of satisfactory service.

"The dealer in Buffalo, New York, J. A. Cramer, recently, as evidence of dependability, compiled a list of names of 70 Buffalo citizens who purchased Dodge Brothers cars over ten years ago and whose cars are still giving fine service.

"In Binghamton, New York, the dealer recently ran an advertisement in the local newspaper inviting the owners of the Dodge Brothers cars sold in Binghamton during 1914 and 1915 to register their cars, if still in service, at his salesroom. Of 99 cars sold during those years, 52 were registered. Most of the other owners had moved from the city.

"Of great interest is the fact that out of these 52 cars 43 had their original baked enamel finish, a large percentage showing almost the original lustre. The leather upholstery was invariably good.

"World Wide Good Will for Dodge Brothers, Inc., is the natural reward of universal respect and satisfaction among the users of their products. Adv.

BISHOP HORNER TO CONDUCT CONFIRMATION SERVICE.

The Right Reverend Junius Moore Horner, D. D., Bishop of this Diocese, will administer the Apostolic Rite of Confirmation at 11 a. m. on Sunday, 13th of September, in Grace Episcopal church.

The offertory solo will be sung by Miss Mildred Crawford.

Hon. Chas. R. Thomas will conduct the Bible class in the Parish House at 10 a. m. Subject: "The Church's Conquest in Japan."

The Rector will preach at the evening service, 8 p. m.

Everybody is cordially invited to all our services.

REV. ALBERT NEW, Rector.

MISS DAVIS HOSTESS.

Miss Isabelle Davis entertained a small number of friends at dinner last Wednesday evening at her home on Walnut street.

The predominating color note was yellow and was repeated in the score cards and favors and in the basket of fruit which was placed in the center of the table.

Miss Davis' guests were Misses Eleanor Bushnell and Frances Denton, Edwin Howell, Ralph Prevost and Charles Badgett.

MRS. ALLEY GIVES BRIDGE.

Last Wednesday Mrs. Hayes Alley gave five tables of bridge at the home of Dr. and Mrs. Limer honoring Mrs. M. H. Dixon of Shreveport, La. Summer flowers in varied colors were arranged in the hall and living room; where the tables were placed. Mrs. Dixon, as guest of honor, was presented with pillow cases; Miss Janie Love Mitchell, high scorer, a vanity; Mrs. Covington, holder of second high score, a powder container and Miss Lucy Tate, winner of consolation, a lipstick. After the game Mrs. Alley served salad and ice course.

Those playing were: Mrs. Dixon, Misses Annie Welch, Nannie and Lucy Tate, Janie Love Mitchell, Dorothy Thomas, Isabel Ferguson, Janie Reeves, Margaret Francis, Margaret Semmes, Elizabeth McLean, Elizabeth Beck, of Memphis; Mesdames R. O. Covington, R. L. Allen, Ben Sleeper, of Waco, John Swift, Jr., J. Taylor, of Memphis, Tom Lee, Jr., Guy Massie and Rogers Boone.

Mint Reed is knocking them out as a real estate under H. G. Stone, (Real Estate and Improvements.) He sold two lots in the Goodyear tract recently to Mr. J. W. Doan. One of the lots belonged to Col. Woolsey and the other was the Emma Norwood Lawrence lot across the street from P. L. Turbyfill's residence belonging to Mr. Stone.

ATE TOO FAST

South Carolinian Took Black-Draught For Indigestion, and Says He Could Soon Eat Anything.

Ballentine, S. C.—Mr. W. B. Bouknight, of this place, gave the following account of his use of Theford's Black-Draught. "Just after I married I had indigestion. Working out, I got in the habit of eating fast, for which I soon paid by having a tight, bloated feeling after meals. This made me very uncomfortable. I would feel stupid and drowsy, didn't feel like working. I was told it was indigestion. Some one recommended Black-Draught and I took it after meals. I soon could eat anything any time.

"I use it for colds and biliousness and it will knock out a cold and carry away the bile better and quicker than any liver medicine I have ever found."

Eating too fast, too much, or faulty chewing of your food, often causes discomfort after meals. A pinch of Black-Draught, washed down with a swallow of water, will help to bring prompt relief. Bloating sensations, eructations, bad breath and other common symptoms of indigestion have disappeared after Black-Draught has been taken for several days. NO. 144

"STANDARD" GASOLINE

AN OLD CONFEDERATE LETTER.

The following letter, written during the Civil War by an uncle of Mr. L. A. Miller, will be of interest, especially to the older residents of the community:

Camp Davis, N. C.

New Hanover County, Oct. 21, 1861.

Dear Brothers and Sisters:—It is through the kind mercy and providence of God that I am permitted to write myself with the opportunity of penning you a line or that leaves me in good health, hoping this will find you the same. I have nothing of interest to write at present. We are 7 or 8 miles below Wilmington on Nichol's Sound, in 2 miles of the beach where we can see the Yankee's ships every day or two, but can't get to fight them one bit. The worst objection I have to the place we are in is the bad water. I want to see you all very much, but alas, I cannot yet awhile, but I hope I shall live my time out and see old Haywood one time more and then maybe I will go to war again. I want you to write to me as soon as you get this letter, and tell me what and how you are all doing. I know that you had a powerful fresher-up there and I want to know whether it damaged your mill any or not. Tell all about everything, for I want to hear something from home that will give me a little comfort, for I can't hear anything that is worth talking about. I must close for the present for I have a chance to send this letter by hand and the man is about to start and I haven't time to write much as I would like to. Mr. Dillard is going to start this morning after Thomas's Indians to bring them hear to fight with us if we ever have to fight any.

George Jones sends his love and respect to one and all and wishes you to remember him as an affectionate brother until death.

Tell Sindy, Lina and Lura that I want to see them more than anybody in the world, and to be good children till I come home, if I am blessed with luck to get there and if not I want them to and all the rest of you to meet me in heaven.

We haven't received any letter since we come here and for fear you don't direct your letter right I will give you a copy:

To John Jones, Wilmington, N. C.

Col. Clingman's 25th Regiment, N. C. Vol., Capt. T. J. Lenoir's Company.

Give my love and respect to all inquiring friends and more especially receive the same yourselves.

To L. F. and N. G. Miller, F. M. Miller, Lucinda and Louisa Miller.

From I. R. Jones.

"Tempered to the Weather"

Kurfees Paint is "tempered" just like the finest steel in a keen blade—it is developed from pure raw products, by gradual stages and through many thorough processes, into a weather-resisting paint that "sets" with a surface of tough film that glistens like polished enamel.

But more—Kurfees paint spreads easily and smoothly, and covers an unusual amount of surface per gallon. We can show you how Kurfees will save you money.

Let us tell you the reason

Kurfees HOME OWNERS CLUB PLAN
(They monthly payment plan)
You can now paint and pay out of income without drawing on your principal. We can furnish you paint, stain, enamel or special top to bottom, inside and out, on this popular plan. ASK FOR DETAILS

—year after year the public appreciation of the constant high quality of Kurfees paint continues to grow—and sales increase. If any of your neighbors or friends have used it, ASK THEM. Quality always wins in the end and some day you'll buy Kurfees—why not get the facts and make your paint dollars buy more years of surface protection?

THE SOUTHERN SERVES THE SOUTH

As the South grows the Southern must keep pace

Freight traffic on the Southern Railway System has nearly doubled in ten years.

With the South growing at its present rate, traffic a few years hence will be double what it now is.

Many millions of dollars of new capital will have to be found for increasing the capacity of tracks, yards, terminals and shops, and the purchase of cars and engines.

This needed new capital will be attracted to the Southern if the profits from its operation are maintained at a level to establish a broad market for its securities.
